Then I began the use of Electric Bitters and feel that I am now cured of a disease that had me in its grasp for 12 years." RUNAWAY ACCIDENT.

Four Popular Young Ladies Hurt. The town was a scene of intense excitement Tuesday afternoon, caused by the runaway teams of W. M. York, one of the proprietors of the Dixie Warehouse. One of the teams was being driven by Misses Essie Peele and Lettie Critcher, and the other by Misses Nolie York and Hannah Vic Fowden. The latter had driven to the market house of Adams & York to deliver a message when the horse became frightened, wheeled around quickly and ran into Main street, throwing Miss York upon a pile of brick. Miss Fowden attempted to jump as the buggy struck a tree in front of The Eli Gurganus Company building, and was thrown against the tree with great force, the blow knocking her senseless.

The other team, which was standing in front of the post office, became frightened at the noise and started to run, the occupants jumped out and in doing so fell, and were run over by the buggy, sustaining slight injuries.

At first it was thought that Miss Fowden was dead. It was several seconds before anyone went to her. Mr. T. J. Smith, the American tobacco buyer, was the first to approach and he picked her up. B. Frank Godwin, Jr., helped Mr. Smith carry her to the drug store of Mr. S. R. Biggs, where she was examined by Dr. J. B. H. Knight, who found no bones broken or serious internal injury.

Miss Fowden has suffered a great deal since the accident, and at times it was thought the injury would prove serious. The main trouble was the pressing of a rib upon the lung. She is still unable to turn herself in bed, but indications are that she will finally pull through all right.

Of the other young ladies, Miss Nolie York was the most hurt, she was confined to her home several days, but is out to-day. Miss Essie Peele was unable to get out the next day, but is all right now. Miss Lettie Critcher went to school the next day as usual, only a little bruised and sore.

SUDDEN DEATH.

Mrs. W. A. Anderson died Sunday morning.

Sunday morning at 9:30 o'clock Mrs. W. A. Anderson, wife of the town night watchman, passed away. She was 72 years and 6 months old. Mrs. Anderson was well and hearty Saturday night when her husband left to go on duty. She had eaten a very hearty supper and there was no sign of death being so near. He did all that was possible but to no avail and she died at 9:30 o'clock.

J. A. HOBBS BREAKS RECORD

Raised a Yam Potato 14 inches long, 1 1/2 inches in Circumference and Weights 6 Pounds.

Yesterday morning when the Editor reached his office he found that a bag of yam potatoes had been left for him with the compliments of J. A. Hobbs, the popular Clerk of the Court, who is an expert gardener. Upon examining the potatoes one was found which measured fourteen inches in length and fourteen and a half inches in circumference, and weighed six pounds.

This is the largest yam potato the writer has ever seen. Some of the oldest citizens of the town say it is the largest they have ever seen. The potato can be seen at this office.

We thank Mr. Hobbs for this gift, and assure him that it is appreciated.

Mr. Hobbs planted one fourth of an acre in potatoes and has dug sixty-five bushels, or about twenty-four barrels. This is a good showing.

EVERETTS.

Mr. James Teel was here one day this week.

Mr. James D. Leggett was on our streets Monday.

Mr. Herbert Jenkins, of Tarboro, was in town Tuesday.

A series of meetings is being conducted at Vernon this week.

The rain last Saturday and Sunday was accompanied by some snow from the North-East.

Mr. and Mrs. Mc G. White spent a few days in Scotland Neck this week visiting relatives.

Some very small boys here have learned to walk very high "toms," but often "tom" reverses and walks the boy.

A very wild mule made a sudden dash the other day near Everetts, and succeeded in over-turning his driver and speed rapidly away. The runaway resulted, however, in no sprains or bruises.

EVERETTS.

Rev. J. D. Cook and wife, of Renovo, Pa., are now visiting Mr. and Mrs. G. P. McNaughton. Mr. Cook is a Presbyterian minister, and his sermons Sunday morning and night were masterly and appreciative.

Mr. Joel Johnson, one of Martin County's most highly esteemed citizens, died at his home October 21st. His remains were taken to the Spring Green burial grounds for interment. May the blessings of our Lord abide with his sorrowing family that they may be enabled to speak as did faithful Job: "The Lord giveth and the Lord taketh away: blessed be the name of the Lord."

Ten Thousand Churches

in the United States have used the Longman & Martinez Pure Paints. Every Church will be given a liberal quantity whenever they paint. Don't pay \$1.50 a gallon for Linseed oil (worth 60 cents) which you do when you buy this paint in a can with a paint label on it. 8 and 6 makes 14, therefore when you want fourteen gallons of paint, buy only eight gallons of L. & M., and mix six gallons of pure linseed oil with it. You need only four gallons of L. & M. Paint, and three gallons of Oil mixed therewith to paint a good sized house. Houses painted with these paints never grow shabby, even after 18 years. These celebrated paints are sold by S. R. Biggs.

Our Stock of Men's, Boys' and Children's CLOTHING is complete and we are offering the entire stock at a very low price.
