A Day Earlier

If there be any lack of news or if there be any mistakes in this week's issue we will have to ask our readers to bear with us, for we have been as busy as a bee all this week putting up the new presses and moving the old ones out of our way. But, we have got to print the paper this week on the old press in order to get the new one in, we go to press a day earlier.

Next week we will be able to present to the world as good a weekly as any county can produce, and we will be able to get it out on Friday.

Hay-Ride

The young men of Williamston gave a most delightful hay-ride Thursday evening to the young ladies. They left town about eight o'clock for Brown's Spring. Having ridden for about six pleasant miles, they reached the spring about nine o'clock, a bit tired. But they were soon refreshed, for the famous Brown's Spring water was served up to them in prompt order.

The following went: Misses Anna-belle Everett, Sallie Corey, Bessie Daniel, Annie Peale, Lilly York, Nellie York, Lillian Critcher, and Nannie Smith; Messrs Grover Harrison, Frank Godwin, Dr. Hugh York, S. A. Newell, Chas. Ward, Kader Crawford, Chas. Godwin, Fountain Lipscomb and Rufus Co-purn.

Death of Mittie Jones

After a two weeks illness, God in His wisdom, thought it best, last Friday evening, to pluck one of the jewels from the family of Mr. A. C. Jones.

Tho in the very spring-time of life, being about 13; yet because of intense suffering her friends felt that it was better for her, when the golden thread was broken. She suffered from those most horrible maladies: Typhoid Fever and Congestion of the brain. Mittie had a host of friends to moan her. It was indeed heart-touching to watch the little girls, as the body was being taken from the house to the hearse, the tears trickled down the cheeks of those weeping, heart-aching little friends. They knew naught of the soul and its flight, no doubt; but one thing they did know—that their friend was gone.

The Rev. Mr. Carroll conducted the funeral service, which was very impressive. The little friends did their last homage to their departed friend by laying crosses and garlands of roses on her grave.

Bishop Joseph S. Key, Southern, M. E. Church, writes: "We gave Dr. Moffett's 'TEETHINA' (Teething Powders) to our little grandchild with the happiest results. The effects were almost magical, and certainly more satisfactory than from anything we ever used. 'TEETHINA' (Teething Powders) Counteracts and Overcomes the Effects of the Summer Heat."

How to Prevent Cream Spots.
 Most business men have had experience with the almost inevitable drop of cream that falls from the faulty pitcher on the immaculate and sometimes exquisitely embroidered lunch cloth. If a little butter is rubbed on the nose of the cream pitcher there will be no danger of thus soiling the pretty cover.

Death of Wm. Ray

After fifteen years of suffering and pain the Reaper at length came last Saturday night and transported the soul of Mr. William Ray, we trust, to Happier Fields.

Mr. Ray suffered from catarrh for many years, but never suffered so badly until he was stricken on the nose about fifteen years ago. The ultimate result of this was consumption, which brought on his death. His life has been of no pleasure to him since that time, but a great drag and burden. He was about 60 years old.

He was interred in the Baptist Cemetery Sunday afternoon, the funeral services being conducted by the Rev. Mr. Carroll.
