Peelo-Sexton

Wednesday evening Mr. Herbert D. Peelo, the popular jeweler of Williamston, led to the altar Miss Emma Sexton, of Jamesville, one of the most charming young ladies of that town.

The ENTERPRISE wishes that the glorious hopes of their lives, conceived during the happy evenings together, shall be realized in the life before them. Elder A. D. Mizell, of Jamesville, made them man and wife.

The writers were: Best man, Mr. B. F. Peelo, brother of the groom, and Miss Ella Martin, Mr. G. A. Peelo and Miss Martha Lilly, Mr. Donnie Harrison and Miss Addie Gripps, Mr. George Martin and Miss Ethel Sexton.

Chamberlain's Colic, Cholera and Diarrhoea Remedy

This remedy is certain to be needed in almost every home before the summer is over. It can always be depended upon even in the most severe and dangerous cases. Notice of Dissolution

I take this method of informing the farmers of Martin and adjoining counties that the Roanoke Warehouse will open its doors on Thursday, August 4, 1904, for the sale of tobacco with "Little Jim" at the bat.

It is with regret that I announce that my former partner, J. D. Leggett, better known as "Big Jim" has retired from active life. I wish to thank all of our patrons that have heretofore sold with the late firm of Leggett & Staton, I can assure them that their patronage has been appreciated in every sense of the word. I now ask that you bring me your first load of tobacco; I will do everything in my power to see that you are treated right, get good weights and highest prices, and make it to your interest to bring me your last load as well as the first.

I haven't got Uncle Tom as a representative, but Uncle Tom's son, Mr. J. F. Ragan, better known as "Red Jersey," weighs about 240, red-headed and freckled face.

A later invention, and I believe the later the invention the better and more up-to-date to call on my friends in my stead. It would give me great pleasure to do this myself, but for the fact my business at this season of the year will not allow me to start in. I hope to be able to pay you a call, occasionally, and will be sure to be with you on the floor of the warehouse every sale day and see that you get every cent your tobacco is worth. I am going to buy a big stock myself and am my own boss and make my own prices.

Mr. C. E. Allen will do my auctioneering, and he is up-to-date. Mr. F. S. Upton will have charge of my office work and everybody knows Fred well; he will see that you get your check promptly.

Don't forget the opening day whether you have tobacco or not, come to Williamston and make yourself at home at the Roanoke Warehouse.

J. G. STATON.

Healthy Mothers

Mothers should be in bodily health. They owe it to their children. Yet it is no unusual sight to see a mother, with babe in arms, coughing violently and exhibiting all the symptoms of a consumptive tendency. And why should this dangerous condition exist, dangerous alike to mother and child, when Dr. Boschee's German Syrup would put a stop to it at once? No mother should be without this old and tried remedy in the house—for its timely use will promptly cure any lung, throat or bronchial trouble in herself or her children. The worst cough or cold can be speedily cured by German Syrup, so can hoarseness and congestion of the bronchial tubes. It makes expectoration easy, and gives instant relief and refreshing rest to the cough racked consumptive. New trial bottles, 25c; large size, 75c. At S. R. Biggs.
