End of a Bitter Fight

"Two physicians had a long and stubborn fight with an abscess on my right lung," writes J. F. Hughes of DuPont, Ga. "and gave me up. Everybody thought my time had come. As a last resort I tried Dr. King's New Discovery for consumption. The benefit I received was striking and I was on my feet in a few days. Now I've entirely regained my health. It conquers all Coughs, Colds and Throat and Lung troubles. Guaranteed by S. R. Biggs. Price 50c, and \$1.00. Trial bottles free.

Opening of the Markets

ROBERSONVILLE

The prospects were not auspicious yesterday morning for it looked as though it was going to rain practically all the morning, but presently the carts and wagons were heaving in from the distance and by 10 o'clock each warehouse was getting its share of the weed. The whole fair population of the town seemed to be present as the prices were steeped and twisted on the slick tongue of the clever auctioneer.

The farmers were all pleased with the prices, there being no kicks whatever. The sales began at 10 o'clock and closed 10:45. The highest price paid on this market was 14 cents. There were about 11,000 pounds sold here yesterday. The average price was 6.85.

WILLIAMSTON

Although our chances were very slim when the train left Thursday morning; yet, before the market opened up the wagons were streaming in from all sides.

The prices ranged from 4 to 17 cents, everybody appearing to be pleased. The prices were 50 per cent better than they were last season, and there was not a kick made.

There were 17,000 pounds sold on this market yesterday, and we should be proud of our market for some of the very best markets in the State did not sell this much; and our prices were as good as theirs.

The bidding was hot and lively from start to finish. There would have been a large "break" if the farmers had been ready to market. The crop was injured by the heavy rains and hails, and therefore it will be marketed later than usual.

A Perfect Painless Pill

Bob Moore of Lafayette Ind. says: "All other pill I have used gripe and sicken, while DeWitt's Little Early Risers are simply perfect." Sold by Anderson Crawford & Co.

The Bear Man

There is a colored man in Tyrrell county who walks on his all-fours, has club feet and can run faster than a man. His movement is bear-like.
