

THE ENTERPRISE

FRIDAY, SEPTEMBER 30, 1904

LOCAL NEWS

We are unable to give six pages this week as announced in our last issue, owing to the fact that Judge Parker's letter of acceptance will not be given out till Monday, and, besides, we are running with a short force which prevents us getting up other matter, and also curtails our court report.

M. W. BALLARD will have a carload of Wire Fencing, 49 11x12, 34 9x12, and Rabbit and Garden Fencing about October 1, 1904.

The County Democratic Convention will be held next Thursday.

Have just received a supply of fine N. C. Hams. S. H. Ellison.

This term of court has been attended by an unusually large crowd.

Williamston market is the stuff and the farmers are finding it out right along.

Send in your subscription, THE ENTERPRISE from now till January 1, 1905 for 25 cents.

Carry your tobacco to the Roanoke, "Little Jim" will talk for you and will get for you every dollar your tobacco is worth.

Hon. B. F. Dixon, Democratic candidate for Auditor, will address the people of Martin county at Parme September 26th.

The attraction this week has been the free concert given by Dr. R. H. Drake, on the vacant lot corner Main and Washington streets.

The visiting lawyers in attendance upon this term of court are: Messrs. A. O. Gaylord and H. S. Ward, of Plymouth; Don Gilliam, of Tarboro; A. R. Dunning, of Robersonville; J. T. Waldo, of Hamilton; and S. Justus Everett, of Palmyra.

It is stated that some Robersonville citizens have suffered numerous burglaries recently; four being committed last week.

It is understood that the petition to the P. O. Department at Washington, from Goose Nest, to change the name of that town, has been held up by the P. O. authorities in order to investigate it.

Rev. T. A. Smoot, of Fayetteville, filled the pulpit at the Methodist church Sunday morning and night for Rev. T. H. Sutton. The attendance at both services was larger than usual.

Letter to Rev. T. H. Sutton

Dear Sir: Three churches in Baldswinville, N. Y., have had their first lesson in Devotee.

Messrs. Osterhout & Lockwood painted the Presbyterian parsonage; estimated 30 gallons; took 22.

Messrs. Slingerland & Shutter painted the Episcopal church; estimated 40 gallons; took 28.

Some painters painted the Catholic church; estimated 50 gallons; took 39.

Of course, they estimated from what they had been using. The saving in paint and work is \$4 or \$5 a gallon. Total saving on three jobs \$125 to \$150—the painting costs two or three times as much as the paint, you know.

Yours truly,

F. W. Devos & Co.

P. S.: Simpson Hdw. Co. sell our paint.

To the Democratic Voters of Martin County

I hereby announce myself as a candidate for Sheriff, subject to the action of the Democratic convention to be held September 29th. If nominated, and elected the people of Martin county shall have my best attention and service.

F. K. HODGINS.

HOLLY SPRINGS DEDICATION

The Rev. T. A. Smoot, of Fayetteville, Preached a Fine Sermon

Last Sunday evening at 3 o'clock the beautiful little church at Holly Springs was crowded to its utmost capacity. For sometime its members had been preparing for this occasion. The day was beautiful and nearly everyone for miles around was present.

Rev. T. A. Smoot, of Fayetteville, preached an able and appropriate sermon dedicating for the worship of God, this house, an offering of the people of this section.

A handsome communion service, silver and gold-lined was presented to the church by the Yarell family.

This is the second church that Rev. T. H. Sutton has had dedicated since he has been serving this charge.

For the past week the residents of Williamston have had the pleasure of seeing and hearing the best "black face" comedian that has ever been in town. His original songs and parodies are excellent, and his acting is beyond criticism. Ernest Linwood has surely made a hit with the people here, and should be entitled to as appreciative audiences everywhere.

His song "Walk you Lobster, Walk" is the best of the day, and nearly everybody is humming it.
