At Opera House Monday night, Oct. 31, under the auspices of the Roanoke Camp Woodmen of World.

Letter To a Williamston Lawyer.

Williamston, N C

Dear Sir: As your business is to get people into and out of trouble, suppose you consider their paint; it makes 'em almost as much trouble as money, except of course matrimony.

They buy poor paint a good deal; they don't mean to; they don't know any better; they buy without thinking. Bad paint isn't good. It looks good-enough for a year; then begins to get rusty; but changes so slowly, one don't notice it.

Looking isn't all. The business of paint is to keep a house dry inside, the wood and iron of it; keep it from rotting and rusting. Takes good paint to do it.

Good and bad paint are sold at one price or about that. One can't go by the price at all; as with lawyers, the price has nothing to do with goodness or badness, and costs are worse yet; the painter and sheriff come-in for their share.

But the probability is that a man, who paints Devoe, will come-out on top.

Yours truly,
F. W. DEVOE & Co.

P. S.—Simpson Hdw. Company sell our paint.

Change of Speaking

The County candidates will speak at Frank Griffin's school house, in Williams' Township, Tuesday night, November 1, instead of Wednesday the 2.

IN SHAKERTOWN

In Shakertown the people all
Shook late and early, large and small.
Some blamed their ills on their religion;
Some cursed the ague of the region.
Though on the cause they didn't agree—
They shook with unanimity.

A traveler, as he passed that way,
With pity deep, to them did say:
"Oh, why in this sad state remain,
When here's a cure for every pain?"
Then gave each one—this is no myth—
A bottle labeled "Wintersmith."

'Twixt hope and fear each drank his share
Was cured completely then and there;
And no more shake these shivering Shakers;
They've grown as quiet as queer-clad Quakers;
Each loves the other with love platonic
And all praise Wintersmith's great tonic,

Personal Mention.

Mr. J. A. Whitley, of Everetts, is in town to-day.

Mr. Herbert Walton, of Chase City, Va., was in town this week

Mr. George N. Gurganus attended the Horse Show in Richmond last week.

Mr. J. L. Davenport, of Jamesville, was in town one day of this week.

Mr. and Mrs. F. L. Minga came in this morning and will spend a few days here.

Master Hubert Morton, of Robersonville, is visiting his aunt, Mrs. W. H. Crawford.

Hon. Wm. Bond came in this morning and will speak at the Court House to-night.

Mrs. W. A Ellison and children left this morning for Robersonville where they will spend the day.

Mr. W.A. Ellison left this morning for Weldon where he will take in the Fair and hear Hon. R. B. Glenn speak.

Mr. G. P. MacNaughton, of Everetts, and his friend, Mr. W. T. Snyder, of Renover, Pa., are in town to-day.

Mr. A. S. Terry, Manager of the Southern Veneer Company, was in Petersburg one day this week to place an order for a Titus veneer machine.

Mr. and Mrs. Dennis S. Biggs, Misses Emma Hassell, Carrie Biggs, Victoria Martin and Mr. Wheeler Martin attended the Horse Show at Norfolk this week.

THE LADIES favor painting their churches, and therefore we urge every Minister to remember we give a liberal quantity of the Longman & Martinez Paint toward the painting.

Wears and covers like gold.

Don't pay $1.50 a Gallon for Linseed Oil(worth 60 cents) which you do when you buy other paints in a can with a paint label on it.

8 & 6 make 14, therefore when you went fourteen gallons of paint, buy only eight of L. & M., and mix six gallons pure Linseed Oil with it, and thus get paint at less than $1.20 per gallon.

Many houses are well painted with four gallons of L. & M. and three gallons of Linseed Oil mixed therewith.

These Celebrated Paints are sold by S. R. Biggs.

To Increase it's Plant

The Southern Veneer Company is issuing stock to increase its plant. Already about $3,000.00 of its stock has been sold and new machinery ordered.

The new plant will be located near the river and will be housed in a 60x140 building. 30x80 feet of this will be a drying room—just twice the size of its present draing room. 30x80 feet for storage and bundling room; 60x60 feet for mill room. The plant will be equipped with a 100 horse power boiler and a 60 horse power engine, and a 76 inch veneer machine will be added.

The Southern Veneer Company is doing a nice business, and orders are pouring in.

Notice to Tax Payers

The town taxes for the year ending May 31, 1904 is due and collectible.

All persons are hereby notified that I am ready to collect same. You will please be ready to settle when I call on you, thereby saving unnessary worry and expense.

Yours truly,
J. H. PAGE,
4-4t Town Tax Collector.
