## Hold Your Cotton.

Cotton is on the decline but we are confident that the price will be better and the farmers who sell now are giving the difference between 9 cents to 11 cents to speculators and manufacturers. We have made an investigation of the condition and here is what people say who know Mr. C. C. Fagan, of Dardens says "We have ginned seventeen bales more cotton this year than last year this time but we are much nearer done ginning than any year before. I picked nearly all my cotton the first time it was gone over. We will give twenty-five per cent less cotton than last year."

Mr. Van R. Taylor who was in town Wednesday said, "The cotton crop is short, we are not ginning as much as last year and I think we will make about sixty per cent of what we made last year."

Mr. Hyman Bowen who was in town Wednesday said: "My son and myself have been running a gin about sixteen years and the crop is shorter than it has been in years. We are getting very little cotton to gin as compared with last year."

Mr. J. G. Staton says: "The crop is short although opening rapidly now which makes it look larger. The Williamston Milling and Ginning Co. is not doing the ginning it did last year because the crop is not made that just all there is about it."

Here are men who are in a position to know about the crop and they say it is short. Every reader of this article knows the crop is short although it shows up well. Now if the crop is short although conditions are such as to make it appear large and the price consequently low and these conditions exist all over the cotton belt, isn't it reasonable to conclude the price will be better when the situation is understood.

In our humble opinion and it is gained from what people say who know and from reports covering the whole cotton belt, farmers will make a big mistake to sell cotton for 9 1/2 cents when they can get as much as 11 and Sully says 13 cents for it.

Croup is quickly relieved, and Whooping Cough will not run its course, if you use the original Bee's Laxative Honey and Tar. This Cough Syrup is different from all others because it acts on the bowels. You cannot cure Croup and Whooping Cough until you rid the system of all congestion, by working off the cold through a copious action of the bowels. Bee's Laxative Honey and Tar does this, and cures all Coughs, Croup, Whooping Cough, etc. No opiates. Sold by S. R. Biggs.

A wise, good husband gives his wife a ten dollar bill now, and then insists that she spends it on herself as she pleases.

## A Judicious Inquiry

A well known traveling man who visits the drug trade says he has often heard druggists inquire of customers who asked for a cough medicine, whether it was wanted for a child or for an adult, and if for a child they almost invariably recommend Chamberlain's Cough Remedy. The reason for this is that they know there is no danger from it and that it always cures. There is not the least danger in giving it, and for coughs, colds croup it is unsurpassed. For sale by S. R. Biggs.

Some men proceed to storm when they are unable to raise the wind.

## Full of Tragic Meaning

Are these lines from J. H. Simmons of Casey, Ia. Think what might have resulted from his terrible cough if he had not taken the medicine about which he writes: "I had a fearful cough, that disturbed my night's rest. I tried everything, but nothing relieve it, until I took Dr. King's New Discovery for Consumption, Coughs, and Colds, which completely cured me." Instantly relieves and permanently cures all throat and lung diseases; prevents grip and pneumonia. At S. R. Biggs drug store; guaranteed; 50c and \$1.00. Trial bottle free.

Censuring others is no evidence of your own faithfulness.

## Some Seasonable Advice

It may be a piece of superfluous advice to urge people at this season of the year to lay in a supply of Chamberlain's Cough Remedy. It is almost sure to be needed before winter is over, and much more prompt and satisfactory results are obtained when taken as soon as a cold is contracted and before it has become settled in the system, which can only be done by keeping the remedy at hand. This remedy is so widely known and so altogether good that no one should hesitate about buying it in preference to any other. It is for sale by S. R. Biggs.

A lawyer isn't necessarily a beggar because he pleads for money.

## How to Cure Corns and Bunions

First, soak the corn or bunion in warm water to soften it; then pare it down as closely as possible without drawing blood and apply Chamberlain's Pain Balm twice daily, rubbing vigorously for five minutes at each application. A corn plaster should be worn a few days to protect it from the shoe. As a general liniment for sprains, bruises, lameness and rheumatism, Pain Balm is unequalled. For sale by S. R. Biggs.

## Good New for Williamston.

Science at Last Discovers a Real Cure For Rheumatism.

After years of experiment a new scientific remedy has been found that not only relieves, but absolutely cures Rheumatism and kindred diseases, to stay cured. The new discovery RHEUMACIDE, though purely vegetable, and acting through nature's channels, neutralizes these acids and sweeps all poisons and harmful germs out of the blood. At the same time it tones up the stomach and regulates the liver and kidneys.

RHEUMACIDE therefore, cures the disease permanently, because it removes the cause. It has cured hundreds of cases after the most noted doctors and hospital nurses have failed. RHEUMACIDE cured James Wilkes, of Dillon, S. C., after he had been held in bed by rheumatism for three years and his feet were drawn up almost to his back. This is only one of the many marvelous cures RHEUMACIDE has already performed. RHEUMACIDE is curing many cases of Rheumatism, Sciatica, lumbago, gout, kidney trouble, indigestion and constipation, right in this community today.

Because it has cured so many others we believe it will cure you. All the leading druggists in this place sell and recommend RHEUMACIDE.

Some men make a specialty of flirting with trouble.

## He kept up in the Race.

James S. Barron, President Manchester Cotton Mills, Rock Hill, S. C., writes: "In 1883 I painted my residence with L. & M. It looks better than a great many houses painted three years ago. Don't pay \$1.50 a gallon for linseed oil which you do in ready-for use paint. Buy oil fresh from the barrel at 60 cents per gallon, and mix it with Longman & Martinez L. & M. Paint. It makes paint cost about \$1.20 per gallon. Wears and covers like gold. Every Church given a liberal quantity when bought from, S. R. Biggs.

Nevertheless the republican party will know where to go for its next campaign contributions.
