

Hunters "galore" filled the woods and fields on Thanksgiving. The day was clear, but windy, but the boys had sport.

Quite a number of men and boys attended a shooting match at Bear-trap Mill yesterday. Some brought home trophies and others "chewed the rag."

Mr. S. J. Everett has purchased the law offices of Wheeler Martin on Main street. Mr. Martin will build a larger and more commodious office.

Dr. Ben Halsey, of Roper, has been in town this week with the view of locating here. He is the son of Dr. Bob Halsey, so well remembered and beloved by the older residents of this section, and has a lucrative practice in Washington County.

Dr. W. H. Wakefield, of Charlotte, N. C., will be in Williams-ton at the Hassell House, on Wednesday Dec. 13th, for one day only. Robersonville on Thursday Dec. 14th. His practice is limited to Eye, Ear, Nose and Throat, and Fitting Glasses.

In another column we print a letter to THE ENTERPRISE from J. Henry Johnson a colored preacher of Baptist denomination. Johnson speaks the truth in regard to his race and the existing conditions and we take pleasure in publishing such a letter. It is indeed refreshing to read such a letter. The trouble is that this truth is realized by so few of either race.

We know this man Johnson personally and he lives up to this expression of his ideas.

DR. WILLIAM H. HARRELL.

One of Martins' Most Highly Respected Citizen Laid To Rest Tuesday Morning.

Dr. Wm. H. Harrell died Sunday 3.30 p. m. of pneumonia being taken with a chill on the preceding Tuesday night. His health had been better than usual for the last few months and it was indeed an unlooked for turn in his condition when the public became aware of the seriousness of the situation, that pneumonia of a malignant type had developed. He had all the attention and relief that skilled physicians, trained nurses and loving hands could give but his end had come. Dr. Harrell had suffered with Brights disease for years and last winter had a slight case of pneumonia but otherwise had been a strong and vigorous man.

Dr. Harrell leaves a wife and three children Wm. H. Jr. age 10 years, James Edwin named for his grandfather age 7 years and a little girl Sarah Moore age 10 months, two brothers Mess. S. H. and Robert Harrell and a sister Miss Mittie Harrell. His wife was Miss Elizabeth Moore the daughter of the late J. E. Moore to whom he was married on January 29, 1893.

His people have been for generations residents of Martin County his father was clerk of the Superior Court of the County and held a number of public positions. Dr. Harrell was a member of the County Board of Health and County physician, having held the latter position for sixteen years continuously regardless of party or politics. He was universally liked and beloved. That man or woman does not live who can say that Dr. Harrell ever mistreated them. He was not a member of any church but was a member of the Masonic order of high standing being a great lover of masonry and having worked through a number of degrees.

That he was beloved by the people of this county was attested by the number of people who attended his funeral on Tuesday. He was buried with Masonic ceremony with a hundred or more present besides a great concourse of people who followed the hearse to the Baptist Cemetery. Funeral sermon was preached by Rev. Mr. Hassell at the home. Here his home and grave were surrounded by people whom he had visited when sickness and death had visited their homes or whose pains he had relieved and who respected him in that most serious and sacred relations of family physician. It was one of the two largest attended funerals in the memory of those now living here.

He has made a place in the life of this community that cannot be easily filled. The doctor knows our individual weaknesses and secrets which are sacred and solemn obligations. He comes to the home with terror and anxiety in his heart but with the smile of confidence that relieves distress, he brings to your trouble God's great viles of healing. When death has claimed its own he soothes the pain and affords an easy passage. These are the offices of a physician, that Dr. Harrell met these demands and filled these offices is attested by the fact that he died Sunday the most beloved man in the county and community.

Holiday Accidents.

Holiday and hunting seasons bring with them accidents. Two accidents have been reported to us recently. Saturday some people were deer hunting in Griffin's township, the deer and hounds were coming near a stand when a member of the hunting party came near the stand raising his hand to the man on the stand as a signal to the man on the stand not to shoot was fired into thinking it was the passing deer. The man was shot in the bowels, legs and arms and hopes are that he will recover.

On Saturday night the colored people on the farms of Mess. Ballard and Everett attended a "fair" in the neighborhood and on leaving it the people going in one direction were divided into two parties a short distance apart. The party behind seemed to be having some disturbance when one of the party in front took a gun carried by another ran back some distance and shot into the disturbance and killed one. There was a plenty of whiskey in the crowd and when a gun and whiskey get together with a negro this is the result, witness the hanging here Dec. 16. The negro who did the shooting was put in jail Wednesday while his victim was buried Tuesday.
