**Biliousness and Constipation.**

For years I was troubled with biliousness and constipation, which made life miserable for me. My appetite failed me. I lost my usual force and vitality. Pepsin preparation and cathartics only made matters worse. I do not know where I should have been today had I not tried Chamberlain's Stomach and Liver Tablets. The tablets relieve the ill feeling at once, strengthen the digestive function, helping them to do its work naturally.—Mrs. Rosa Potts, Birmingham, Ala. These tablets are for sale by S. R. Biggs.

cent campaign for the representative and was defeated in the convention by a small vote in favor of Mr. J. A. Whitley. His support and vote in the convention being entirely satisfactory to himself and his friends. He is the first young man in the county to seek this honor since the Civil War. He is neither disgruntled nor discouraged at his defeat, rendered all the service he could during the campaign, and stands ever able and ready to promote the interest of the democratic party.

He is a close student of his profession keeping himself well read in law and making a close study of business situations and conditions. He is a ready speaker and never fails to do his duty when called upon and in the close we might quote the language of one of his friends who recently said: "He is the most useful citizen in or who has ever been in the county."
