**MIDGETT MADE FASTEST TIME**

**Loyal B. Won From Polo-Windsor Maid Took Race From Little Straight**

The twenty-fifth, the date for the races came, and now is an event in the history of the town. In spite of the predictions for stormy weather the day was an ideal autumn one, and one that brought pleasure for people from every section of the county, and for the surrounding counties as well. Early in the morning the people began to arrive some coming for the races only, and some to bring tobacco, for the day was an event in the tobacco world as well as in the world of sport.

The day being such a pleasant one, the morning was spent by the people in going around the town, some shopping, some speaking to their friends, and some driving.

Everyone was anxious to talk about the races, and all up and down the street could be seen groups of men talking about the horse that was going to win. Everything was full of enthusiasm. The true lovers of the racing sport were out on the track all during the morning, some practicing their horses, some looking on, and some making efforts to improve the track. The whole town, especially around the warehouses where the tobacco sales were going on, presented a busy scene, and one which showed that the people were enjoying themselves.

Before one o'clock the gates of the park were open, and hundreds of people rushed in. At one thirty the music of the approaching band told all the assembled crowd that it was soon time for the races to begin. By the time the band arrived the grand stand was completely filled and there were enough people to fill three others of the same size. The people were chattering gayly, the breezes blowing enough to make it pleasant, and the music playing sweetly made every one there feel it was good to be living. The Judges mounted the stand, and soon the bell was sounded for the races to begin.

The following horses were entered: Midgett, R. T. Purvis, Robersonville; Brigadier, T. P. Simpson, Williamston; Loyal B., W. E. Warren, Williamston; Polo, J. B. Gilliam, Windsor; Dexter W., D. L. White, Windsor; Little Straight A. R. Mixell, Williamston; Windsor Maid, F. M. Dunstan, Windsor.

In the 3:00 class, trot or pace, Midgett won three straight heats, time 2:16, 2:11, 2:12; purse \$25.00. In the 2:20 class trot, purse \$50, Loyal B. won. The first heat was a dead heat, time 2:17 1/2, 2:16, and 2:17; Pole second, Dexter W. third.

In the 2:20 trot or pace, purse \$50 there was only one heat finished, Windsor Maid winning that in 2:20. The second heat of this race was not completed owing to the breaking down of Mizell's sulky. This promised to be the most exciting of all the heats. Windsor Maid had won the first heat and on the second heat Little Straight seemed to have it all his way till turning into the home stretch on the first half he threw a tire. Mizell refused to let his horse go again and the race was given to Windsor Maid.

The event closed after having delighted the hundreds of people who came to Williamston. Nothing unpleasant happened to make the day disagreeable; every one was in good spirits and seemed to enjoy the occasion to the greatest extent.

It was a fitting close for the dying summer, and one which on account of its pleasant features, will be remembered for many years. The next races for Williamston have not been announced, but many people in Williamston will be interested to know that autumn races in Windsor, our sister town, will be held on the second of October.

The Williamston Brass Band assisted by Messrs. Tom Lumsden of Raleigh; Sam Forbes of Washington; J. Swynson of Tarboro; Howard Dixon of Rocky Mount, rendered music for the occasion. The visiting musicians were formerly members of the Second Regiment Band under Prof. Henderson.

DeWitt's Carbolyzed Witch Hazel Salve is good for boils, burns, cuts, scalds and skin diseases. It is especially good for piles. Sold by S. R. Biggs.

**EVERYBODY CAN PLAY THIS PIANO**

If you have learned to play the piano, you will enjoy this all the more because while you can play it in the ordinary way, and from its outward appearance, it is simply an upright piano, you can in a moment, adjust it so that by inserting a music roll, you can play the most difficult pieces that you have never seen before.

**More Than That**  
any fairly intelligent member of the family can play anything from rag time to classical music, so that music in the home does not depend on any one performer.

**Health In the Canal Zone**

The high wages paid make it a mighty temptation to our young artisans to join the force of skilled workmen needed to construct the Panama Canal. Many are restrained by the fears of fevers and malaria. It is the knowing ones—those who have used Electric Bitters, who go there without this fear, well knowing they are safe from malarious influence with Electric Bitters on hand. Cures blood poison too, biliousness, weakness and all stomach, liver and kidney trouble. Guaranteed by S. R. Biggs, Druggist, 50c.
