

THE ENTERPRISE

VOL. X. NO. 5

WILLIAMSTON, N. C., FRIDAY, OCTOBER 23, 1908.

\$1.00 a Year in Advance

Republican Campaign.

Jamesville, sitting calmly on high bluffs rising from the waters of the Roanoke River, was aroused from its quietude on Monday by the thunderous entry of forty two (42) republicans—ten white and thirty two colored. It was an inspiring scene with "Big Jim" forming the background. For he, contrary to former statements, had received a raise—been advanced to the higher position of candidate for treasurer, and was feeling a "little grain" more important. Collector Martin talked as did Cheek, candidate for elector of first district. C. C. Fagan who was not moist enough to stick, had come off the legislative ticket, and a Green man, one with plenty of sap took his job. All these were there and with knowing winks sat them down, and listened to radical doctrine as usually set forth by the goods box orator. It was surely a fine beginning for the men who want to rule Martin County and have boasted that North Carolina would give a majority for Taft. Radicals want high tariff but give out barrels of cheap talk. See?

Kodol is a combination of the natural digestive juices and it digests all classes of food and every kind of food, so you see it will do the work that the stomach itself does. The only difference between it and the stomach is the stomach can get out of order and Kodol cannot, but Kodol can put the stomach into good order. Buy Kodol today. It is guaranteed. Sold by Chase's Drug Store; Bigg's Drug Store.

Called to Charleston.

Rev. Harry Harding, Rector of Calvary Church Tarboro, so well known and beloved here has received a call from the vestry of the Holy Communion at Charleston, S. C. It is earnestly hoped by every one who knows this noted divine, that he will not leave the State. Charleston would be honored by his acceptance of the call. His parishioners at Tarboro, as well as others outside, will not easily let him leave. North Carolina allows too many of its young men to go beyond its borders, and the need for them has never been grater than to-day.

Do not let anyone tell you that something else is just as good as DeWitt's Kidney and Bladder Pills because there isn't anything just as good for weak back, backache, rheumatic pains, inflammation of the bladder, or any Kidney and Bladder disorder. A week's trial will convince you. Sold by Chase's Drug Store; Bigg's Drug Store.

October.

Hark! From the hills there floats the mellow winding of a horn. Far across the valleys its silver music rings, and lo! October enters. Beautiful charm, a more mature beauty, a sweeter serenity, a winsomeness lacking in her sister months. Her mantle is of many colors, a scarlet and yellow toned down by golden browns and dull crimson. Many a ragged rent is there, but with every tatter fluttering a gay salute they are forgotten in the splendor of the whole. No mighty choir of feathered spirits greets her entrance, and wanting are the garlands, of the summer. No flower-strewn paths await her coming, but the crisp brown grass crackles beneath her step, leaves of gold and scarlet are caught in her tresses and the clear melodious whistle of the quail gives her greeting. In brown serried ranks the cornshocks stand. In glowing piles the pumpkins pledge her golden bounty. The fragrance of ripe fruit hangs over the orchard. High above her head she elevates her horn of plenty that she who will may have.—From Country Life in America.

Barbecue at "Kelvin Grove."

The members of the Episcopal Sunday School through the courtesy of Mr. James G. Staton, picnicked at his country home on Thursday. Wagons were provided to meet the assembled children at the church and the drive along the country road was a jolly one. Arriving at the spacious grounds, every one gave himself up to the spirit of the occasion, and much fun was found in trials of running and jumping. Ribbons were given to the winners in each contest. Meanwhile, the savory order of barbecue was floating on the air, and at 4 o'clock, around long tables spread under the grand old oaks, the feast was served. Messrs. York and Carstarphen attended to the preparations and never was pig more delightfully cooked and served. With plenty of "Slaw", breads and coffee it was partaken of with evident delight. Before leaving the picnickers gathered around Mr. and Mrs. Staton and gave the yell: "Rah! Rah! Rah! Staton! Staton! Staton!" A committee of two then thanked them for the pleasure their bounteous goodness had bestowed. The drive back home was full of fun, and shouts of "Staton" and "barbecue" filled the air.

Only those who could not attend, failed to find enjoyment.

At any time when your stomach is not in good condition, you should take Kodol, because Kodol digests all the food you eat, and it supplies health and strength for the stomach in that way. You take Kodol just for a little while when you have slight attacks of indigestion, and you take it just a little longer in order to get relief from severe attacks of indigestion or nervous dyspepsia. Try Kodol today. Sold by Chase's Drug Store; Bigg's Drug Store.

Picnic in Griffins on the 29th.

The citizens of Griffins Township met at their usual voting place last Friday night and perfected arrangements for a grand rally and picnic to be held at the Church at Smithwick Creek on the 29th of this month. There was a large crowd present and Mr. Plenny Peele made a pointed speech, setting for the subject of the meeting and the good that would be accomplished by a picnic conducted by the ladies. Mr. Peele called to the chair the Rev. A. J. Manning and Mr. M. D. Manning as Secretary. It was unanimously agreed to write Senator Harry W. Stubbs to make a speech on the date named above, commencing at 11.30 A. M.

The following committees were appointed to the duties assigned them: Committee on resolutions and program, Rev. A. J. Manning, Chairman; Entertainment, Kader Lilly; Preparation, W. I. Griffin; Invitation, C. C. Coltrain. The meeting then adjourned, everybody in good feelings and looking forward to a jolly good time.

EPHRAIM PEELE.

Kennedy's Laxative Cough Syrup is used nearly everywhere, because it not only heals irritation of the throat and stops the cough, but it drives the cold out of the system through its laxative principle by assuring a free and gentle action of the bowels, and that is the only way to cure a cold. You can't cure it as long as you are constipated. Insist upon Kennedy's Laxative Cough Syrup. Sold by Chase's Drug Store; Bigg's Drug Store.

Stockholders Meeting.

A meeting of the stockholder of The Enterprise Printing Co. will be held on November 5th at 8 o'clock P. M. at the office of the above named Company. All stockholders are requested to be present.

C. D. CARSTARPHEN, President.

Everett returned from Rocky Mount last Tuesday, where they had been attending the Baptist Association. This is a new Association just organized last week, and was christened the Roanoke. Those attending report much enthusiasm and great spirit.

In Memoir

Mr. Robert Simpson, son of Mr. and Mrs. E. N. Simpson, died at his home, near Jamesville, at 2:15 A. M. Saturday, October, 17th. He is survived, in addition to the above, by three brothers, and one sister, viz: Will Fred, Charlie and Mrs. C. A. Askew.

Our Father in Heaven sent down from above,
An angel conveying a message full of love,
It told dear Robert of the beautiful shore,
Where sorrow and death would be no more.
We loved him much, but God loved him best,
And took him home to live with his blest,
And while we are left with a broken heart,
Soon we are to meet him, never more to part.

P. F. HARDISON.

Not Indemnifiable.

The unhappy man was now seeking to recover under the employers' liability act.
"My boss," he testified, "raised my wages, and I got married. No; I swear I shouldn't have got married if he had not raised my wages."
But the court held, after hearing all the evidence, that the plaintiff had been guilty of contributory negligence, and the suit was dismissed.—Puck.

Bryan and Kern Fund.

Mr. S. Justus Everett, ever active in the promotion of democratic ideas, solicited a subscription of \$50.00 last week for the National Campaign Fund. This was sent to The News & Observer and a list of the subscribers was published in the Sunday issue. Each man was only asked for one dollar, and Mr. Everett says he met with hearty response and could have raised more if his time had not been limited.

The following is the letter accompanying check for the amount: To the Editor:—

Enclosed you will find my check for \$50 subscribed by the citizens of Williamston to the Bryan-Kern fund.

The largest subscription is by the oldest Democrat in our town, we asked for only a dollar, he voluntarily raised his to \$1.50, saying he could not hope to contribute to another Democratic campaign fund.

Others of our citizens have sent their subscription direct.

Yours for Bryan,
S. J. EVERETT.

Williamston, Oct. 16, 1908.

A Healthy Family

"Our whole family has enjoyed good health since we began using Dr. King's New Life Pills, three years ago," says L. A. Bartlet, of Rural Route 1, Guilford, Maine. They cleanse and tone the system in a gentle way that does you good 25c. at All Druggists.

Colored Teachers' Association of Martin County.

The Colored Teachers' Association of Martin County met in Williamston Saturday, October 17th. There being only a few teachers present those proceeded to organize. Rev. J. Henry Johnson of Everett was elected Chairman, W. V. Ormond of Williamston, as Secretary, the appointing of the different committees was deferred until the next meeting, which will be the second Saturday in November.

Every teacher in Martin County is expected to be present at the next meeting. Let each teacher consider carefully the work in which he is engaged, and the responsibility which is resting over him as a teacher of the young, if he does this he will not stay away from these meetings but will come and do everything in his power to make them a success. Let every teacher be present. Come willing and ready to help in the discussions.

Program for Saturday, November the 14th: Devotional exercises. Opening remarks by the Chairman. Duty of teachers, A. G. Greene, Oak City. Number work first and second year, E. E. Andrews, Williamston. Responsibility of the teacher, J. C. Cordon, Jr., Jamesville. Language in primary grades Rhoda Chance, Robersonville. Discussions optional.

W. V. ORMOND,
Secretary.

To those afflicted with kidney and bladder trouble, backache, rheumatism, Pineules for the Kidneys brings relief in the first dose. Hundreds of people today testify to their remarkable healing and tonic properties. 30 days' trial \$1.00. They purify the blood. Sold by Chase's Drug Store.

How the Turks Keep Time.

There is one custom at least in the Ottoman dominions in Europe that causes foreign visitors a great deal of trouble and confusion. This is the Turkish system of reckoning time. A Turk holds that the day begins exactly at sunset, and accordingly at that time he sets his clocks and watches at the hour of twelve.

In view of the fact that the sun has the same habits in presiding over Turkey that it exercises with reference to other localities, it follows that this system of reckoning time requires setting the clocks every day. It appears that a watch that could run for weeks without gaining or losing a minute would be of no special value to a Turk.—New York Tribune.

Report to the Alumni.

The session of 1907-1908 was one of growth and progress for the University. The increasing number of students and the development of courses, necessitated the enlargement of the faculty from 78 to 94. The enrollment of students reached a total of 790, the collegiate graduate department alone numbering 537. The new infirmary and library came into use and have made a marked difference in the life of the University. The law school is now quartered in Smith Hall, the old library and at last has suitable and convenient accommodations. The new dissecting hall, large, well lighted and conveniently arranged, has added much to the efficiency of the medical school. Material additions were made the equipment of the laboratories and to the library collections.

At a cost of about \$1000 a large athletic field has been laid off and graded for the class teams. Another section of the campus has been graded for the tennis courts. About three acres of the northeastern part of the campus are being turned into an arboretum. A part of this has already been completed under the direction of Prof. Coker and adds greatly to the charm and beauty of the campus. Davie Hall, the new Biological Laboratory has been completed at a cost of about \$35000 and is one of the handsomest buildings on the campus. During the summer the Chapel Hill Hotel, also known as Pickard's Hotel, was purchased by the Trustees. It is now called University Inn and is managed by the University as a dormitory and boarding house for students. The removal of the biological laboratory has restored about a dozen rooms in the New East for dormitory purposes.

While the time has not arrived for detailed announcement it may be stated that the University has received two generous gifts this summer which it is hoped will add to its capacity for service. These gifts will not be available for this session. More definite mention is withheld at the request of the donors. A bequest of \$500 was received from Mrs. Margaret Bridgers of Wilmington.

The present session the 114th of the University has opened most favorably. There are already 760 students enrolled. The most noteworthy increase is in the sophomore class which numbers 162. All of the classes hold their own except the freshman which shows a falling off, numbering 176. The total numbers are about the same as last year.

I am glad to say that at no time was there better work being done at the University, or better order, or a more harmonious spirit. The Alumni have cause to be proud of the strong and able faculty, of the splendid body of young men gathered here and of the energy and spirit with which the great work of the University is going on.

Francis P. Venable.

DeWitt's Little Early Risers, the famous little liver pills. They are small, sure, safe pills.

—The friends of Elder A. D. Mizell regret to learn of his illness, he having suffered a stroke of paralysis this week. It is earnestly hoped that he will soon be out again.

—Mr. S. S. Brown went out Wednesday night to investigate certain sounds issuing from his chicken coop. He found a chicken, of the brailing variety, almost dead in the yard. In the coop, he espied a common house rat which had evidently caught one fowl and gone after another. Unfortunately the varment escaped.
