A gloom of sadness has been cast over the entire community since last Thursday, June 23d, as a result of the death of Mr. Joseph T. Ward, the brother of our popular townsman and physician Dr. J. E. Ward. Mr. Ward had just completed a commercial course at Poughkeepsie, N. Y., and had come here to be assistant cashier in the Bank of Robersonville. During his short stay here he had won many friends by his genuine manly bearing and affable manners. The popularity of the young man and the high esteem in which he was held were evidenced by the immense throng that accompanied the remains to the train Friday morning, to be taken to Wilson for burial. Among those who went to Wilson to attend the funeral were: Dr. and Mrs. J. E. Ward, Mrs. Ward, J. C. Robertson, Joseph Mizell and others. Mr. Ward was reared in Wilson and belonged to one of the best families of that town. He attended the A. & M. College two years before deciding to enter the banking business. He leaves to mourn their loss, a mother and five brothers, two of whom are prominent physicians. The entire community extends to the bereaved family their sincere sympathy in their hour of bereavement.

Bingham School

The Bingham School whose area of patronage during its 117th year extended from New York, Canada, Montana, and California to Florida, Texas and Mexico, refuses pupils every year for want of room.

Its safety against fire and its exclusion of hazing and drinking, through its inviolable pledge of honor enforced by the boys themselves, attract both parents and pupils.

Its climate, sanitation, ventilation and fare secure an average gain of nineteen (19) pounds a year.

The Bishop's "Retreat"

Rev. Mr. Gordon left this week to be absent about ten days in attendance upon the Bishop's "Retreat" at Wrightsville. The program for the "Retreat" consists of a series of papers on some phase of the English Reformation. The subject of the paper prepared by Mr. Gordon is "The Council of Whitby," which comes first on the program. These meetings prove more helpful each year.

Regulars vs Tamany Tigers

The fastest game of the season was played on the Williamston diamond on the 27th by the Williamston Regulars and the Tamany Tigers. Resulting in a score of 10 to 7 in favor of the Regulars.

The line up was as follows: Regulars: Joe Godard 1b, Willard Teel ss, Harry M. Stubbs c, Wheeler Martin cf, Willie Watts 2b, Haywood Knight rf, Maurice Moore p. 3b, Edwin Ward p. 3b, Roland Roberson lf.

Tamany Tigers: Julius Peel 1b, Jim Godard lf, Sam Gurganus cf, D. E. Gurganus c, Leslie Fowden ss, Dillon Simpson 2b, J. H. Thrower 3b, Ben Hopkins rf, S. R. Biggs p.

Features of the game were the strong work by Biggs, who was upon the mound for the Tigers, he allowed very few hits and kept them well scattered. The fast playing and head work of Fowden on short was wonderful. We are confident that no amateur short stop in the South has a wing like his. Peel, who held the first sack played an errorless game, robbing the Regulars of several pretty hits in his territory. The Tigers as a whole are there with the willow.

The Regulars played steady ball and gave Ward and Moore good support. Stubbs allowed no stealing. This being the first appearance of the Tigers in uniform we feel safe in predicting that they will make the Regulars go some in the next contest.

"Don't forget the 'Bloomer Girls'" on Wednesday, July 6th. We guarantee you a good game. Miss Maude Nelson, the champion lady twiler will be on the firing line for the visitors, while Ward will be the slab artist for the locals, with Stubbs behind the bat. We are going to give the fans some fine exhibitions of the national game this season.—"Dope."

Memorial Resolutions of Deacon Simon D. Ward

Church at Smithwick's Creek, Martin county, in conference Saturday before the fourth Sunday in June, 1910, passed the following memorial resolutions upon the death of Deacon Simon D. Ward:

Whereas, It has pleased God in the dispensation of His providence to remove from our midst our dear brother and highly esteemed deacon Simon D. Ward, who was a faithful member of this Church, continuously for more than 59 years previous to his death, which occurred June 21st, 1910. It pleased the Lord to early impress his youthful mind with a proper sense of his true condition as a sinner, and to give him a good hope through grace of his acceptance through our Lord Jesus Christ. For such distinguished mercy and grace bestowed upon him, he felt desirous to yield obedience and honor his Lord by taking His yoke upon him. Accordingly he united with this Church Saturday before the fourth Sunday in May, 1851, and was baptised the following day by Elder William Whitaker. He truly adorned his christian profession by his love to the truth in word and deed; therefore, be it

RESOLVED 1st: That in his death we feel that we have sustained a great loss which can be filled only by Him who doeth all things well and we bow in humble submission to His great and holy will.

RESOLVED 2nd: That a copy of these resolutions be sent to the bereaved widow, Sister Ward, also to Zion's Landmark and The Gospel Messenger, and to our county paper, THE ENTERPRISE, for publication.

RESOLVE 3rd: That we have these resolutions recorded in our Church book.

Probably a Comet

What was supposed to be a comet was seen here Saturday night about nine o'clock. It was due South in the constellation Scorpio, the heart of which is marked by the fiery red star Antares—the body that the tail of Halley's comet was scheduled to sweep on the night of the 18th of May. The new visitor was very faint and was rapidly kicking the star-dust off its heels. It is probably a splinter knocked from Halley's as it kissed old earth good bye for another seventy years.
