The International Press Bible Question Club

We again call attention to our Local Club in connection with the I. P. B. Q. C. We are safe in saying that nothing in the line of Bible study has so profoundly impressed the people of THE ENTERPRISE as the "Suggestive Questions" which we print 10-day for the ninth week. If any of our readers do not read these questions they had better commence, or they will soon begin to feel lonesome.

If you are already a subscriber to THE ENTERPRISE, can you spend \$1.00 better than by ordering this paper for 52 weeks or to the end of this contest, for some worthy young person, that he or she may take up the course of reading and compete for the prizes. Only one person can use one paper, as there is only one coupon in each, and that sufficient only for one person to certify that the reading has been done. Now is the time to put THE ENTERPRISE into the hands of all who should take up the study of these "Suggestive Questions," so as to be in good trim to start when the contest commences in five weeks from now. If you can induce any person, young or old, to take up this easy course of study, you will do him or her more good than you can ever estimate. Now is the time to come into line yourself and induce others to do so.
