Corporation Commission Gave Out a Report Several Days Ago-Only State, Private and Savings Banks Included.

Raleigh .- The Corporation Commission's report issued concerning the condition of state, private and savings banks in North Carolina on June 7, shows total resources on that date of \$63,210,803.32. The increase of resources in the period elapsing between June 30, 1910, and June 7, 1911, is \$6,856,930.15. This of course, does not include the National banks in North Carolina, as these are under

National supervision. Some features of the report are an increase in loans and discounts amounting to \$4,974,033.72; an increase in the item "due from banks and bankers" amounting to \$1,104,-614.06; and a decrease by \$1,358,-776.22 in trust deposits. The banks had on June 7 ,this year, less gold coin by \$78,355.77 than on June 30, 1910, but \$52,201.75 more in silver coin and all minor coin currency.

Believed Travis Will be Appointed.

A development in the contest for the appointment at the hands of Governor Kitchin to the Corporation Commissionership to succeed the lamented H. C. Brown is the announcement by President Edgar E. Broughton of the North Carolina Retail Merchants' Association that the officers and directors of the association have pledged their support to E. L. Harris, secretary of the state as-sociation, Raleigh, and that the local associations in every part of the state will be urged to take action in the interest of Mr. Harris on the ground that he will represent the shipping interests of the merchants and is well qualified for the place. He was notified that the Salisbury association endorsed Mr. Harris. With the backing of the Retail Merchants' association, Mr. Harris will be a formidable candidate.

Many believe that the Governor will appoint his life-long friend, E. L. Travis of Halifax, who is known to be an active candidate. Mr. Travis has been in Raleigh at frequent intervals for several weeks past and seems to wound he received in Scotland Neck he and Governor Kitchin's when brother and the chief of police were shot down by an insane man. At the Governor's office the only response to inquiries as to candidates is that there are "many."

With the return of Governor Kitchin to the city delegations will begin to arrive and evidences as to who the active candidates are will begin to multiply.

Finest Crop in Twenty Years. Wilson .- Mr. John W. Blount, assis-

Tobacco seems to be a failure, and my predictions are that the warehouses in Rocky Mount and Wilson, combined, will not seel more than ten million pounds this season.'

"Not until I commenced using Cuticura Soap and Ointment could we tell what he looked like, as we dared not wash him, and I had been putting one application after another on him. On removing the scale from his head the hair came off, and left him entirely bald, but since we have been using Cuticura Soap and Ointment he has as much hair as ever. Four weeks after we began to use the Cuticura Soap and Ointment he was entirely cured. I don't believe anyone could have eczema worse than our baby.

Perhaps Plain Old Meat, Potatoes and Bread May Be Against You for a Time.

A change to the right kind of food can lift one from a sick bed. A lady in Welden, Ill., says:

"Last spring I became bed-fast with severe stomach troubles accompanied by sick headache. I got worse and worse until I became so low I could scarcely retain any food at all, although I tried about every kind.

"I had become completely discouraged, and given up all hope, and thought I was doomed to starve to death, until one day my husband, trying to find something I could retain. brought home some Grape-Nuts.

"To my surprise the food agreed with me, digested perfectly and with out distress. I began to gain strength at once. My flesh (which had been flabby), grew firmer, my health im-proved in every way and every day, and in a very few weeks I gained 20 pounds in weight.

"I liked Grape-Nuts so well that for four months I ate no other food, and always felt as well satisfied after eat-ing as if I had sat down to a fine banquet

"I had no return of the miserable sick stomach nor of the headaches, that I used to have when I ate other food. I am now a well woman, doing all my own work again, and feel that life is worth living.

"Grape-Nuts food has been a Godsend to my family; it surely saved my life; and my two little boys have thriven on it wonderfully." Name given by Postum Co., Battle Creek, Mich.
