The Senatorial Contest

We print elsewhere in this issue of the Record, a communication from Mr. Nunoeks in behalf of Judge Clark for the U. S. Senate. Judge Clark has many warm friends and admirers in Warren county. Our people recognize his ability and fitness and are cognizant of his great services to the State, and have repeatedly voted for him for the Supreme Court, the Chief Justiceship of which he adorns, and many of his greatest admirers believe he can best serve the people by remaining a member of the Supreme Court.

There are other candidates for the Senate who are worthy of that high position, but we believe that the best interests of the State will be served by sending Governor Kitchin to the Senate. We believe that of all the candidates he will make us the ablest and most effective representative in the Senate.

From his youth, Governor Kitchin has fought the battles of Democracy, and has kept the faith.

In his youth he edited a Democratic newspaper in our sister county Halifax. In his early manhood he was the Chairman of the Democratic Party in the county of Person. He redeemed the Fifth District for Democracy and for twelve years represented it in Congress with signal ability. In the great Suffrage Amendment campaign he made a brilliant canvass of a large part of the State. It fell to his lot to defend this great measure in the Congress of the United States, and he did it with such ability and success that the State Executive Committee caused eighty five thousand copies of his speech to be circulated throughout the State as a campaign document.

His devotion to the Democratic faith, his fidelity to the pledges of the Party, and his courage and ability in fighting bounties, subsidies and special privilege have given him a high stand and a commanding influence in the councils of the party in State and Nation.

For years he was a member of the Congressional Campaign Committee, and he has been a leader in shaping those principles and policies of the party which are about to bear the rich fruitage of a Democratic Congress and a Democratic President.

For nearly three years his administration as Governor has been so able and effective that the State is enjoying its greatest era of prosperity and progress in Agriculture, in public health, in good roads and drainage in manufacture and in every line of material development and social uplift.

He is wise in council and formidable in debate. He is a foe to indirection and deception and a fearless champion of equal and exact justice to all and special privilege to none. Should he be sent to the Senate, he will, on account of his long service in Congress and his great prestige, at once become a National figure and occupy a commanding position in the councils of the Democratic party with which he is in perfect harmony.

The people demand a clean, incorruptible representative in the United States Senate: a man of ability, a man of backbone, a man whose heart beats in sympathy with the toilers of the land, and yet who is not an extremist, but stands for equal rights for all and who stands

Words of Appreciation

We had a letter last week from Mr. J. B. Burroughs to which we were then able to refer. In this letter he desired us to express publicly his warm appreciation of the efforts of both officers and citizens in tracing the purse which he lost on the street and which contained \$500. We take pleasure in granting the request of Mr. Burroughs, for his thanks were so deep and earnest and the citizens and officers entered so heartily in the search for the missing money. He feels that if the people had been indifferent to his loss that same could not have been restored to him, and that the interest in the search was but another evidence of the kind hearts of the people in the town, who are ever ready to assist where their help is needed. In the same letter Mr. Burroughs showed his appreciation for his county paper by enclosing one dollar for a year's subscription for a relative in South Carolina. We appreciate his interest in us and in the town.

"The Firing Line"

What will, no doubt prove to be an interesting item of news to theatre-goers and book-lovers, is the announcement that a dramatization of "The Firing Line," Robert W. Chambers' celebrated and widely read novel, will be presented in this city at the Opera House on Nov. 9th.

There is no more celebrated writer of fiction in the country today than Mr. Chambers. "The Firing Line," "The Fighting Chance," "The Common Law," "The Younger Set," and "The Danger Mark" have been read by more people in English speaking countries than have any other novels of their kind in modern times. In addition to their publication in book form, these novels were read by millions in the pages of The Saturday Evening Post.

Many playwrights have submitted to Mr. Chambers' dramatized versions of his books, but Mr. Richard Walton Tully, noted as the co-author with David Belasco of "The Rose of the Rancho" who is responsible for the dramatization of "The Firing Line," is awarded the distinction of being the first to meet the requirements and reach the standard demanded by the author.

To all are who familiar with the characters in this stirring novel the dramatic opportunities will be readily appreciated.

The presenting company will be of a high order of merit and the scenic investiture everything desirable.

against special privilege; a man who will represent the people, rather than what is known as the interests and above all a man who realizes that he is the servant of the people, who elected him upon a Democratic platform to carry Democratic principles.

We believe Governor Kitchen measures up to the high standard set by the people, and like the immortal Vance, his heartbeats will be in unison with the throbbing heart of the great commonpeople, and his official acts, if elected Senator, will express the will of the party, as outlined in the Democratic platform, and therefore we give him our earnest support.—The Warren-ton Record.

A Good Woman Gone

"Death loves a shining mark," Sister Cottie Edmondson, wife of Mr. Ebenezer Edmondson, of Hamilton, after several weeks of patient suffering, and bravely fighting against the inevitable, gave up the struggle Wednesday morning, October 25th, 1911. She did not die but fell sleep in Jesus. She leaves a husband and six children, with a host of relatives and friends to mourn their loss.

She lived a beautiful christian life and died a triumphant christian death. The funeral took place at Baptist Church of which she was a faithful and devoted member, the service being conducted by her pastor Rev. N. H. Shepherd, of Stantonsburg. The remains were interred in the Hamilton Cemetery, while the friends tried with busky voices and tear-bedimmed eyes, to sing "Abide with Me," and "My Faith Looks up to Thee." The large number of friends in attendance attested the love and esteem in which she was held.

"What God doeth is done well." It was His good pleasure to take her at this time. And what we call death is only God calling our friends to the skies to enjoy the "rest which remaineth to the people of God."

"There is no death. The stars go down to rise on a fairer shore, And there in Heaven's jewelled crown They shine forevermore."

So let's not think of her as dead but just across the river, under the shade of the trees, beckoning us to come. And by the grace of God we will go, won't we?

Her Pastor, Whom she loved.

Death of a Young Man

On Monday of last week at 2 o'clock P. M. the funeral services of Haywood Wynn, son of Mr. Bynum Wynn, were held at the residence of his father near Williamston on the Hamilton Road, and his body was interred in the Baptist Cemetery here. The lamented young man was twenty-four years old; bore a good character and will be missed by the people among whom he lived. He was resigned to his fate and passed away in the hope of a blessed resurrection. A large number of friends and relatives will mourn their loss and regret his early demise. The funeral services were conducted by the Rev. G. J. Dowell, of the Williamston Baptist Church.

Teachers' Association

The second meeting of the Teachers' Association was held at the Graded School Building, Saturday October 14th. Prof. Jordan presiding. Devotional exercises were conducted by A. Corey. Minutes of the last meeting were read and; quite a number of teachers were present to answer to roll call.

Mrs. Harrell, who was to have lead the discussion, could not be present, so Mr. R. J. Peel discussed in a very able and interesting manner, "The Relation of the Parent to the School." It was then decided to take up Colgrove's Teacher in the School at the next meeting that being one of the books prescribed in the Reading Course. The first four chapters were to be discussed as follows: Chap. 1 Scholarship as a Factor in success, Mr. W. H. Mizell; Chap. 2. Professional Teaching and Growth, Z. V. Norman; Chap. 3. The Study of Children and its Results, Miss Annie Mizell; Chap. 4. The Student transformed into the Teacher, Miss Sallie Dunn.

It was decided that fifteen minutes should be allowed for each discussion, and five minutes for general discussion. The Superintendent urged upon the teachers the necessity of having the books by the next meeting. The committee then reported the following programme for next meeting: 1. In what Way may a Teacher aid in Bringing about Better Sanitary Conditions in a Community, Mrs. W. H. Harrell; 2. The Best Method to teach Arithmetic in an ungraded School, Mr. A. Corey.

The meeting then adjourned until November 11th.

Mrs. C. M. Lanier, Sec'y.
