A Good Woman at Rest

After weeks of suffering from paralysis, Mrs. Lamina M. Baker, wife of Mr. Abram Baker, near Pictolus, died on Thursday, December 14th, 1911. She was a native of Beaufort County and was sixty-nine years old. In 1860 she married Mr. Baker, who with nine children survive her, among whom are Mr. Chas. Baker and Mrs. J. Walter Anderson, of Williamston and Dr. J. H. Baker, of Baltimore.

Mrs. Baker was a consistent Christian woman, having been a member of the Christian Church at Tranters Creek for years, embodying in her life all those virtues which go to make a kind and loving wife and mother, a good neighbor and faithful friend. She will be missed not only by those nearest to her, but by many who held her friendship.

Friday afternoon the funeral services were conducted by Rev. R. V. Hope, of the Christian Church at Washington, and a large number of sorrowing relatives and friends paid the last respects to her whose work on earth had ended. The body was taken to the home of her daughter, Mrs. Geo. L. Roberson, near Robersonville, and there interred to sleep until the glorious Resurrection Morn.

"I heard a voice from heaven, saying unto me, Write, from henceforth blessed are the dead who die in the Lord, even so saith the Spirit: for they rest from their labours."

Moore-Brown

The Baptist Church was the scene of a very pretty marriage on Wednesday afternoon at 2:30, when Miss Mattie Brown became the wife of Mr. Charlie Moore, of Martin County. The interior of the Church was attractive with Christmas greens and soft gaslights, an arch from which a bow of white ribbon fell, completed the beautiful fitness of the whole. To the strains of Mendelssohn's wedding march, rendered by Miss Della Ray, the ushers, Messrs. Bruce Whitley and Vernon Godwin, threw open the doors and the party came slowly up the aisle in the following order: Miss Eva Woolard with Mr. Goo Roebuck, Miss Dora Moore with Mr. Roscoe Thomas, Miss Jessie Brown with Mr. Louis Manning. Then came the bride, wearing a blue cloth travelling suit with gloves and hat to match, leaning on the arm of Miss Mary Brown the groom with his brother, Mr. Claude Moore, passing up the opposite aisle and meeting the bride at the chancel. The bridesmaids were attired in white cloth with large picture hats. Rev. G. J. Dowell impressively gave the vows and to the strains of music, the party went out in reverse order. Hearty congratulations were showered upon the happy pair and the entire party took carriages and drove to the home of the groom near Stokes. The bride is the sister of Mr. R. B. Brown and a very attractive young woman, who has a host of friends here and elsewhere. The groom is a prosperous farmer, formerly of Pitt County, but now making his home in this County.

Where the Locality does not Count

Wherever there are people suffering from kidney and bladder ailments, from backache, rheumatism and urinary irregularities, Foley's Kidney Pills will help them. Belvidere, Ill. E. A. Kelly, an engineer, says: "Three years ago my kidneys became so bad that I was compelled to give up my engine and quit. There was a severe aching pain over the hips, followed by an inflammation of the bladder and always a thick sediment. Foley's Kidney Pills made me a sound and well man. I can not say too much in their praise." Saunders & Fowden.

Swallowed a Pin

Miss Blanche Roberson, of Robersonville, swallowed a pin Saturday night and after an unsuccessful search for same with X Ray on Monday, the pin was coughed up by the patient. The pin was a black headed one and might have caused great pain if it had not dislodged.

WILLIAMSTON TAKES A STEP FORWARD

Headquarters of The Maryland Life Established Here--What it means to the Town and County--Agency in Hands of B. T. Cowper who is interested in the Upbuilding of the Section

The insurance companies operating in North Carolina have done much for the State. Established agencies in the different large towns have strengthened in a great measure the financial growth of those places. These companies, planted on most substantial foundations of brains, money and energy, assist in erecting a broader financial structure which will stand as a monument to the progressiveness of the Old North State. Towns like Charlotte, Greensboro, Raleigh and others are the centers of these agencies, but it remained for the Maryland Life Insurance Company, of Baltimore, to try to help the eastern section of the State and particularly Martin County. This innovation has come in the establishment of the General Agency for North Carolina at Williamston. None of the larger towns in the East have been so distinguished and the people in Martin County must see what it means to be placed in line with the large centers of the State.

The Maryland Life is an old line company, having been established in 1865 and has among its policy holders a large number of the most substantial and wealthiest men of Baltimore. It is both progressive and conservative. The plan of loans on good security will be helpful to this people, and a feature which can build and not drain this and other counties. The business men should realize what this means and stand by the company which has come for mutual aid.

Another strong point is that the agency is in the hands of Mr. B. T. Cowper, who is well known throughout the State as an insurance man of marked ability. After mature deliberation, he planned to bring the company here, where he desires to lay the foundation for larger things for the people. He is already meeting with co operation which is an expression of appreciation for what he is undertaking. The interests of the Company and people will not suffer at his hands but will be carefully guarded.

Ends Winter's Troubles

To many, winter is a season of trouble. The frost-bitten toes and fingers, chapped hands and lips, chilblains, cold-sores, red and rough skins, prove this. But such troubles fly before Bucklen's Arnica Salve. A trial convinces. Greatest healer of Burns, Boils, Piles, Cuts, Sores, Bruises, Eczema and Sprains. Only 25c at Saunders & Fowden.

Chapter Here

Several prominent Royal Arch Masons from different places in the State will come here on the evening of January 4th, for the purpose of instituting a Chapter. Twelve charter members have been chosen and the prospects for this beautiful work in Masonry is most promising. The Lodge in the town stands among the first in the State, and is composed of enthusiastic Craftsmen.

Foley's Kidney Pills

Tonic in action, quick in results. Will cure any case of kidney or bladder disorder not beyond the reach of medicine. No need to say more. Saunders & Fowden.

B. & E. Club

Miss Hannah Vic Fowden delightfully entertained the B. & E. Club Saturday evening at her home on Watts Street. After the business hour was over, the guests were presented with a floral contest. After having lots of fun guessing the name of old-fashioned flowers, Mrs. Martin was awarded the first prize and Miss Essie Peel the consolation. Miss Fowden served her guests with an elegant salad course.

"Best on Earth"

This is the verdict of R. J. Howell, Tracy, O., who bought Foley's Honey and Tar Compound for his wife. "Her case was the worst I have ever seen and looked like a sure case of consumption. Her lungs were sore and she coughed almost incessantly and her voice was hoarse and weak. Foley's Honey and Tar Compound brought relief at once and less than three bottles effected a complete cure." Saunders & Fowden.

The wound was not thought to be dangerous, but Shepherd died on Monday morning, after stating that he and Moore were playing Dr. J. H. An Alarm at Night

That strikes terror to the entire household is the loud, hoarse and metallic cough of croup. No mistaking it, and fortunate then the lucky parents who keep Foley's Honey and Tar Compound on hand. H. W. Casselman, Canton, N. Y., says: "It is worth its weight in gold. Our little children are troubled with croup and hoarseness, and all we give them is Foley's Honey and Tar Compound. I always have a bottle of it in the house." Saunders & Fowden.
