The Williamston tobacco market opens August 15th. with fair prospects for a most prosperous year. It should be the pride of every man in the town to make it the best in the history of the sales here. Every business man should join hands and boost the market and the advantages of our town. Stand by the tobacco sellers and raisers, too. We have every facility for handling the trade in the weed and the men to do it. Let the merchants co-operate in nailing the fact that this is the best town to buy goods, after getting the highest prices for a load of the golden weed at the warehouses here.

Robert W. Herter, Lawrenceville Mo., who had been bothered with kidney trouble for two years, says: "I tried three different kinds of kidney pills but with no relief. My neighbor told me to use Foley Kidney Pills, I took three bottles of them, and got a permanent cure. I recommend them to everybody." Saunders & Fowden.

Not quite as "hot as August."
 Lets not stand by and watch our town grow, but take hold and help.
 If it can be done as it is in Wilmington, then what should we conclude about other towns?

The writer has just returned from Wayne County, where he assisted Rev. C. E. Stevens in a revival which resulted in twenty-five accessions.
 Elder Lawrence and wife are away on a two weeks visit to their daughter at Front Royal, Va.
 Mr. and Mrs. L. R. Whichard were in town one day this week to see Mrs. Kate Tripp, who has been confined to her room for several days. We are glad to note that she is improving.

Don't forget the services at the Missionary Baptist Church Saturday and Sunday. One month hence; we are expecting Bro. Braxton Craig, of Monroe, to assist us in a meeting.

Richard A. Knight, of Durham, was here last week to see his mother and sister, Mrs. Mary Knight and Mrs. W. H. Adkins. He was en route to New York to purchase goods.

Dr. R. H. Hargrove and family have returned from a three weeks outing to relatives and friends.

Miss Bessie Roberson spent several days with Miss Blanch Robersod this week.

One week hence and tobacco will be "all the go." The Taylor Warehouse is the proper place. Messrs. Adkins & Bailey are aware of the fact that they have to compete with the buyers from other towns who are invading their territory, and are making arrangements to do it. Competition will be sharper here this year than formerly, and of such a nature that nothing but highest prices will combat it.

So, brother farmer, you need have no fears. All we want is an opportunity to show you that integrity, honesty and "fair deal" is the motto we live by and carry with us in our business. Because we have always wanted "to live and let live," is the reason we have such a host of happy, satisfied customers. Moreover, the volume of business we anticipate will enable us to do our customers fair and save them money.

For Register of Deeds
 I hereby announce myself a candidate for the office of Register of Deeds of Martin County, and ask my friends and fellow Democrats to give me their support, which I assure them will be appreciated. And if elected I promise to fill the office to the best of my ability and to render to each and every one the proper courtesy due them.
 Respectfully,
 D. J. MEKES.

The market opens here next Thursday, the 15th, and we are expecting a fine "break" to begin with.

Buyers who want to buy and are too busy and business-like to quibble over a few cents; an auctioneer who knows how to sell; a town full of merchants who will give you bargains if you wish to do other business, and polite, courteous gentlemen at the bank who will be glad to handle your papers, checks, etc. In fact our town is becoming a veritable mecca for business. Better prices for tobacco and lower prices for merchandise.

We hope you can see your interest, and are glad to know there is a mutual interest to yourself and us. We hope you will see the mistake of selling elsewhere, before it is too late and sell at the proper place—the Taylor Warehouse.
