—FOR SALE: 50 High Breed Berkshires all ages. Prices reasonable, considering stock.—J. S. Rhodes.

—Ralph, the little son of E. A. Edwards, fell through the floor of the porch at home last week and cut his knee severely. Dr. H. B. York was summoned and took several stitches in the wound.

—S. R. Biggs is the most popular man in town at present—he has just received three Buick cars of the 1913 model.

—Mrs. J. H. Saunders entertained at Bridge on last Thursday afternoon in honor of her cousin, Miss Marie Everett, of Brunswick, Ga.

—The crowd which attended the circus here last week was one of the jolliest and best-haved ever seen here on a like occasion. Not one disorderly act was noted.

—The Baptist Sunday School pupils had their annual rally at the class hour on Sunday morning. The exercises were very interesting throughout.

—I will preach at the home of Thomas Gardner on Sunday at 3 o'clock. The public is invited.—J. L. Cherry.

—The whistle of the Williamston Coopers Company's mill can be heard blowing every morning. But the Atlantic Coast line Railroad has not shown itself equal to the ability of the citizens of the town, who have done everything asked of them.

—The Hallowe'en party under the management of the Junior Auxiliary on Thursday night of last week, was very successful, \$23.45 being realized. The Juniors are very grateful for the help rendered to them.

—The Embroidery Club met with Miss Nannie Biggs on Oct. 29th. All the members were present except one who was out of town. Miss Biggs entertained most pleasantly, and each felt that it was good to be with her. The next meeting will be held with Mrs. K. B. Crawford on November 12th.

A Mitchell, a general merchant near Bagdad, Ky., writes us:—"I think Foley's Kidney Pills one of the greatest kidney medicines there is. My daughter was in terrible shape with kidney trouble and I got her to take it. She is completely cured now. I think it one of the greatest medicines made." Saunders & Fowden.

The Republican party is officially dead in North Carolina. Tom and his "bar!" put up a big bluff, but it failed to work. Returns show that the g. o. p. is dead in the Nation, at least, till the defeated Taft can revive it, as he says he can.

Huntsville, Ala. W. C. Pollard, a well known citizen, says—"I have used Foley's Honey & Tar Compound and found it a most excellent preparation. In fact, it suits my case better than any cough syrup I have ever used and I have used a good many, for I am now over seventy years old." Saunders & Fowden.

"Tells the Whole Story." To say that Foley's Honey & Tar Compound is best for children and grown persons and contains no opiates tells only part of the tale. The whole story is that it is the best medicine for coughs, colds, croup, bronchitis and other affections of the throat, chest and lungs. Stops la grippe, coughs and has a healing and soothing effect. Remember the name, Foley's Honey & Tar Compound, and accept no substitutes. Saunders & Fowden.

Highest Ever Sold

On Wednesday, there was the most phenomenal sale of tobacco in regard to prices, which was ever seen on the Williamston market. The election of Woodrow Wilson had given strength and tone to the market, selling the product of the farmers and not that of the trust. The sale was made in the Dixie Warehouse, and 20,000 lbs. were offered and eagerly taken at the highest prices ever given here. Truly it was a "Woodrow Wilson Tobacco Sale."

Dan J. Joyce, Sanville, Henry Co., Virginia, says—"I took a cold with a cough which hung on for two years. Then I commenced using Foley's Honey & Tar Compound and the cough finally left me and now I am perfectly strong and well." Is best and safest for children and contains no opiates. Saunders & Fowden.

Hallowe'en Party

One of the most delightful social affairs since the beginning of Autumn here, was the Hallowe'en party given by Mr. and Mrs. J. T. Jerome complimentary to the Senior Class of the High School at the home of Rev. Rufus Bradley, Friday evening, November 1st.

The rooms were appropriately decorated with Autumn leaves, black cats and witches in profusion, carrying out the color scheme of orange and black Jack o' lanterns lent a weirdness to the whole, suggestive of the season and the stories connected with it.

The first amusement provided by the entertainers, was a Hallowe'en contest in which Miss Frances Knight won the first prize, a handsome box of paper. Apples on a string, easily eluding any who tried to get a bite, furnished great amusement. Miss Mary Brown and F. M. Shute finished first in this contest.

The guests were invited into the dining room, after all the games had been finished, where ambrosia artistically arranged in oranges cut to represent pumpkins, was served with cakes and fruit. There was much fun enjoyed in choosing partners for supper. Each young lady was given a broken heart, prettily cut and decorated, and the other piece held by a young man, decided the question of who should be partners.

Those present were: Misses Myrtle Woolard, Laurie Ellison, Josephine Robertson, Ellie and Maud Wynne, Lucy Green, Frances Knight, Sue Leggett, Eva Peel, Jessie and Mary Brown, Eloise Meadows, Mary Bradley; Messrs Oscar and Leroy Anderson, Ben Hopkins, Ollie Robertson, Yates Dowell, Roland Robertson, Pearly Perry, Fred M. Shute, and Rev. and Mrs. Rufus Bradley.

The Martin County Democratic Executive Committee

Jamesville,—W. H. Martin, Williams,—S. E. Hardison, Griffins,—Ephraim Peel, Bear Grass,—Mac. G. Taylor, Cross Roads,—S. F. Everett, Williamston,—W. C. Manning, Robersonville,—J. C. Smith, Poplar Point,—M. W. Ballard, Hamilton,—P. L. Salsbury, Goose Nest,—H. S. Everett.

At the County Convention held on September 4th, the above Executive Committee was named. There has been no meeting of the Committee to choose the Chairman, but such action will be taken at the proper time.

J. K. Cotton, 1303 No. Market St., says—"I heard of Foley's Kidney Pills and took them for my case of kidney trouble. After taking them a few days the pain left my back, my kidneys acted regularly and the annoying bladder trouble was cured. I gladly recommend Foley's Kidney Pills." Saunders & Fowden.

Everything went Democratic

From the best estimates that can be obtained prior to the official count, North Carolina has retained her place in the Democratic column by 50,000 majority. Locke Craig and the entire State ticket are victors in this splendid fight. Every District sends back its Democratic Congressman. John H. Small in the First District runs away with his opponent, M. D. Leggett, of Beaufort County.

The Legislature will be largely Democratic, and thus the re-election of Senator Simmons is assured as he won out in the primary over Kitchin and Clark by 25,000 majority.

The great victory in the Nation with that in County and State makes a complete Democratic household. Martin County according to the table shown, voted as it should, though there was a falling off in both Democratic and Republican ranks. The Democratic vote in both State and Nation was so large that people quit counting and just heralded the success of the party.

Sad Accident

On Thursday of last week, during the exhibition of Sparks show at Robersonville, a negro from Stokes becoming angry with another negro, threw a bottle at him. The negro dodged and the bottle struck the little son of Mr. Henry Whichard, who lives near Parmele, crushing his skull. As soon as the negro saw what he had done, he proceeded to attempt leg bail, but the show management put their men after him and he was captured. He was brought here and placed in jail to await the injuries to the little boy. The doctors were never hopeful and Friday he died from the effects of the blow. The negro was taken to Robersonville and had a hearing before a Justice of the Peace, who placed him under a \$5,000 bond. Failing to secure this he was brought back and put in jail to await the action of the Grand Jury at the December Term of court.

Alabama, Florida, North Carolina, South Carolina, Kentucky, Tennessee. Twinges of rheumatism, backache, stiff joints and shooting pains all show your kidneys are not working right. Urinary irregularities, loss of sleep, nervousness, weak back and sore kidneys tell the need of a good reliable kidney medicine. Foley's Kidney Pills are tonic, strengthening and restorative. They build up the kidneys and regulate their action. They will give you quick relief and contain no habit forming drugs. Safe and always sure. Try them. Saunders & Fowden.

Martin County showed by its vote in the Senatorial contest that the progressive spirit of Democracy is in the ascendancy in the hearts of our people.

Hon. H. S. Ward

Those who heard the speech of Hon. H. S. Ward in the interest of the candidacy of Judge Clark here on Monday night, were unanimous in the opinion that it was the best and strongest speech delivered here in a long time. Mr. Ward's earnest manner combined with logical deductions, made the friends of Clark feel that he had a worthy advocate and those who differed with him thoroughly enjoyed every word he said. Mr. Ward is well-known in Martin County as a sound Democrat and one who never fails to lift his voice in advocacy of Democratic principles. He is one of the strong young men of the State. His career since its beginning has been upward, and his campaign for Judge Clark a splendid display of ripe knowledge and a firm conviction of the righteousness of the cause he represented. He was given the strictest attention here and warm applause by the friends of the other candidates. He was introduced by Hon. H. W. Stubbs, Chairman of the County Executive Committee.

Tobacco Farmers Happy

The acreage in tobacco in Martin County this year was larger than for the past three seasons. The weed grew with a rapidity that pleased, but it was thought at one time that the crop would be of poor quality. But after being cured and properly handled, it was placed on the warehouse floors for the inspection of the buyers and brought prices before unheard of. People realized more on three acres of good weed than they sold five-acre crops for before. This was done in all these Eastern markets, for in this section only has the crop amounted to much.

Another year will soon be on us, and the preparation for the coming crop will begin. It will pay to put in a reasonable acreage in tobacco for the next year. Diversity your crop, Mr. Farmer. Plant and plant early, and give very best service to every acre of land under cultivation. Raise home supplies, and tobacco, peanuts and a little cotton for money crops. The market here is as good as can be found for all these products.

To Subscribers

A good number of our old friends and subscribers have recently come in and renewed. This is very gratifying as we never like to sent out statements.

We realize how natural it is to overlook small matters like subscriptions to your County and State papers. Still when all the amounts come together it means something. Our postal laws require strict adherence to subscriptions past due. Now since things are on such a boom, we hope to receive many renewals and new subscriptions. Ask your neighbor to subscribe to his county paper.
