HOLIDAY THANKSGIVING

Following our usual custom, the office force will spend Thanksgiving as a holiday, and it is requested that correspondents mail items so that they may reach the office Tuesday night. Advertisers will also note change in the work for the week, and send matter in early.

OUR THANKSGIVING

The days and months have passed according to the arrangement of nature, and we are again approaching the fruition of our hopes for a bountiful harvest. The seed planted by the hand of man, have, by the combination of air, sunshine and rain, brought forth the bud then the full ear till the fields have proven a veritable garden of promise, and the soul of the husbandman has burst forth in songs of rejoicing. Throughout the length and breadth of the land, there is activity in field, factory and office and we are a people greatly blessed.

For every blessing as individuals and as a Nation, we are called upon to give thanks especially on Thursday next. The Chief Executive of the country has set apart the day for religious observance, asking that we offer praise to the Giver of the harvest for blessings of home and country. 'Tis the Nation's great holiday and millions of hearts will respond to the call to render thanks on that day.

The material things of life we have bountifully—the gifts of a gracious King to his subjects, yet there are the more precious gifts of life, love, friends and health. These fill our hearts with sympathy for the poor and oppressed everywhere, and so we remember that near are those whose lives can be brightened on Thanksgiving Day, and in doing this we are best giving thanks to the Father above, as he would have us do.

START YOUR LIVER, DON'T STOP WORK

Dodson's Liver Tonic Acts Mildly but Surely. Livers Up the Liver and You Stay on Your Feet.

It is the experience of calomel users that if they take enough of the drug to have the desired effect, it seriously interferes with their work the day after. But this is the least important item, for calomel is often a dangerous drug and acts on the system violently.

Don't take chances with calomel. Get a bottle of the pleasant, safe and perfectly harmless Dodson's Liver Tonic, guaranteed to take the place of calomel. Instead of making you feel worse the next day it makes you feel better—and you actually are better, for no remedy in the whole world lives up the liver, regulates the bowels and really rejuvenates the system any better than this dose.

You are the sole judge of its merits. Saunders & Fowden is fully authorized to hand you back your money without question if it fails to please you—and relieve you.

Remember, if you feel consti-

pated and bilious, what you need is Dodson's Liver Tonic. A large bottle and a good guarantee for 50 cents from Saunders & Fowden
