**Fair Opening.**  
 This question is from a Connecticut woman's dairy, dated 1790: "We had roast pork for dinner, and Doctor S., who carved, held up a rib on his fork and said, 'Here, ladies, is what Mother Eve was made of.' 'Yes,' said Sister Patty, 'and it's very much the same kind of article.'"—Christian Register.

**Take Away Unused Sugar.**  
 People in France when they dine at restaurants frequently appropriate the sugar they don't happen to use. Sugar in France is dear, and what is served with the coffee belongs, by right, to the purchaser as much as the coffee itself. So why not take a lump or two home to little Jeanne or Pierre?
