A Doctor's First Question Is.

"How are Your Bowels?" A Simple Remedy that Guarantees Good Bowel Action.

Trace the origin of the commo alls of life and almost invariably you will find that constipation was the cause. It is not to be expected that a mass of fermented food can remain in the system beyond its time without vitiating the blood and affecting the nerves and muscles. It congests the entire body.

The results are colds, fevers, piles, beadaches, and nervousness, with its companying indigestion and sleepss. There is only one thing to do, and that is to remove the trouble; and when nature seems unable to do 1t, outside aid is necessary. You will find the best of all outside aids a remedy that many thousands are now usfor this very purpose, called Dr. Caldwell's Syrup Pepsia. Many hundreds of letters are received by Dr. Caldwell telling of the good results obtained, and among the enthusiastic letters is one from Lieut. G. SALTS IF BACKACHY OR KIDNEYS TROUBLE YOU

Eat Less Meat If Your Kidneys Aren't Acting Right or If Back Hurts or Bladder Bothers You.

When you wake up with backache and dull misery in the kidney region it generally means you have been eating too much meat, says a well-known authority. Meat forms uric acid which overworks the kidneys in their effort to filter it from the blood and they become sort of paralyzed and loggy. When your kidneys get siuggish and clog you must relieve them, like you relieve your bowels; removing all the body's urinous waste, else you have backache, sick headache, dizzy spells; your stomach sours, tongue is coated, and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment, channels often get sore, water scalds and you are obliged to seek relief two or three times during the night.

Either consult a good, reliable physician at once or get from your pharmacist about four ounces of Jad Salts: take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate sluggish kidneys, also to neutralize acids in the urine so it no longer irri-

tates, thus ending bladder weakness. Jad Salts is a life saver for regular meat eaters. It is inexpensive, cannot injure and makes a delightful, effer-

vescent lithia-water drink.-Adv.

LESSON FOR FEBRUARY 8.

DARKNESS AND LIGHT.

LESSON TEXT-Luke 11:14-26, 33-36.
GOLDEN TEXT - "Look therefore whether the light that is in thee be not tarkness." Luke 11:35.

I. The Accusation (vv. 14-16.) The fact of demonology as revealed in the New Testament records is here strongly emphasized. Their existence, their malignity, their evil powers, their relation to the devil, and yet their subjection to our Lord, is all he could not speak, yet a word from should have such power caused the acles were for one principal reason (John 5:36). Matthew tells us (12:23) that in this case they asked the question: "Is this the Son of David," e. g., the promised Messiah? The record does not, however, indicate that they about the Coming One (Isa. 29:18, 32:3, 4), yet they hesitated to come out on his side. Into the midst of their controversy (v. 15, Matt. 12:24; Mark 3:22) the Scribes and Pharisees projected themselves. They had come down from Jerusalem seeking, "that they might accuse him" (John 19:35, 36). It is ever thus that the devil seeks to divert.

Convincing Logic.

II. The Defense (vv. 17-20). "But he, knowing their thoughts." Evidently they dared not openly to make their accusations. They would not accept the natural and true explanation. Jesus endured this contradition and these charges for us (Isa. 53:3, 4), and must not his disciples expect a like treatment? (Matt. 10:25). With convincing logic Jesus reveals their motive (v. 16) and demonstrates the untenable position and conclusion which resulted from their own charge. Satan is not fighting himself. A king never sends an army against his own soldiers, but against those of his enemy. Therefore, out of their own acknowledgement that the devils were cast out, he proves that the kingdom of God has come upon them. Such an acqusation (v. 15) was to Jesus an ev-Mence of the depravity of their hearts. There is keen sarcasm in the answer he demanded from them (v. 19). Evidently they, too, had had power over demons, and it is easy to see the dilemma into which he led them. This is not the only time that Jesus convicted men out, of their own testimony (Matt. 21:25).

III. The Application (vv. 21-26). With a true teacher's skill Jesus drives home the truth brought out in the preceding paragraph. Satan is a "strong man." but he, Jesus, is strong-

er. He has power to overcome and to take from the strong man his armor (defense), and his spoil, and to bind him fast (v. 22; Mark 3:27; Rev. 20:2). Those bound by chains of sin are the spoil of Satan, and Jesus is the only one powerful enough to--break the power of canceled sin

And set the prisoner free. Cleanse the "Palace." With Christ there must be entire possession; there can be no neutrality all. (v. 23). We cannot belong to Christ and be a slave to Satan, to mammon, to self, or even to others whom we may love. The persistence of evil is here indicated. Unclean spirits are ever seeking a habitation. Therefore it is not enough for a man to be cleansed, his dwelling must be occupied, and if the Holy Spirit does not take possession, the evil one will. The parable that follows (vv. 24-26) teaches this truth negatively. In one case Satan is dislodged by Christ, he be pre-occupied. In this case the palsence of a positive attachment, too, or possession by, Jesus Christ, involves hostility to him. This picture is that of the reformed man, not of the regenerated man. This latter has his place pre-occupied, and the returning spirit can find no place of abode. Unless, however, such be the case, the latter end of that man is far worse than his first state; witness the goldcured intemperate men who return to their cups (2 Pet. 2:22); they return because they have no strong defender to drive off the returning enemy. This application and principle here propounded may, and does, account for most of the back-sliding after many of the so-called conversions, viz., that the germ of character has not been generated (John 3:7). It is by far the most difficult proposition in Christian work to reach one who is thus gospel hardened. IV. The Illustration (vv. 33-36). In

his teaching, Jesus constantly used familiar objects as illustrations. The incongruity of placing a candle under a bushel measure rather than in its rightful place that it may conspicuously perform its proper function is at once apparent. Jesus is the Light (John 7:17; 8:12), so also is the Christian. They are to be so set before men that, seeing Christ reflected in them, they will glorify the Father who sent him. This is that which is used by God in redeeming, transforming and ennobling earth's sinful chil-

No Rest-No Peace

There's no rest and but little peace for person whose kidneys are out of order. Lame in the morning, suffering cricks in the back and sharp stabs of pain with every sudden strain, the day is just one round of pain and trouble.

It would be strange if all-day backache did not wear on the temper, but it is not only on that account that people who suffer with weak kidneys nervous, cross and irritable.

Uric acid is poison to the nerves and when the kidneys are not working well, this acid collects in the blood and works upon the nerves, causing headache, dizziness, languor, an in-clination to worry over trifles, and a suspicious, short temper.

Rheumatic pain, neuralgia, sciatica lumbago, neuritis and gravel are fur-ther steps in uric acid poisoning.

Don't neglect kidney weakness. An aching back, with unnatural passages of the kidney secretions, is cause enough to suspect the kidneys. Use Doan's Kidney Pills, a remedy has been used for years, the world over, for weak kidneys, backache, ir regular kidney action and uric acid

A PHYSICAL WRECK

New York City Woman Tells of Awful

Mrs. Edith Dykeman, 154 W. Sith St. New York City, N. Y., says: "Three years ago I was so run down in health that I was a nervous wreck. I was affiletes with a severe case of disordered kidneys and doctors treated me without benefit. My kidneys acted either too freely or else the action was retarded and the passages of the secretions caused me much pain. My back ached frighting day and night and I often rolled and tossed for hodrs, unable to go to sees. In the morning I felt all worn out and was hardly able to do my housework. Whenever I stooped to pick up anything from the floor, I was hardly able to straighten again. I had terrible disagned in the straighten again. I had terrible disagned in the floor of me. If I walked up or down stairs, I was completely worn out from weakness. The least excitement brought on an attack of nervousness and I got so bad that it was hard for me to be up and around. My health was all run down Someone advised me to take Doan's Kidney Pills and the first few doses helped me. I kept right on until I was entirely cured and I am now in the best of health. I feel like a different woman and Doan's Kidney Pills alone deserve the credit."
