

# In Winter Pe-ru-na CATARRH, TONIC For COUGHS & COLDS

MR. Samuel McKinley, 1115 Grand Ave., Kansas City, Mo., writes: "I can honestly say that I owe my life to Peruna. Traveling from town to town, and having to go into all kinds of badly heated buildings, plying my trade as an auctioneer, it is only natural that I had colds frequently. Last December I contracted a severe cold which, through neglect on my part, settled on my chest. I heard of Peruna. It cured me, so I cannot praise it too highly. Those who prefer tablets to liquid medicines can now procure Peruna in tablet form."

## NO CHANCE FOR HIM THEN

Unlucky Man Realizes That Opportunity for That Day Had Departed From Him:

An official of the St. Paul road tells how when a certain branch in Minnesota was in course of construction, its progress was a matter of great interest to the people of the region. A farmer who sold provisions to the contractors often reached the place where the men were at work at meal time. The work was hard, and when the bell rang, every man made a dash for the table, and before one could believe it possible, the food had disappeared.

On one occasion a workman, on his way to the table, tripped over the root of a tree and fell. He lay quite still, making no attempt to rise.

At this juncture the farmer rushed up in great concern. The fallen one assured him that he was not badly hurt.

"Why don't you get up and go to dinner?"

"What's the use?" asked the man on the ground. "It's too late now."

## BIG EATERS HAVE BAD KIDNEYS AND BACKACHE

Take a Glass of Salts at Once if Your Back is Hurting or Kidneys and Bladder Trouble You.

The American men and women must guard constantly against Kidney trouble, because we eat too much and all our food is rich. Our blood is filled with uric acid which the kidneys strive to filter out, they weaken from overwork, become sluggish; the eliminative tissues clog and the result is kidney trouble, bladder weakness and a general decline in health.

When your kidneys feel like lumps of lead; your back hurts or the urine is cloudy, full of sediment or you are obliged to seek relief two or three times during the night; if you suffer with sick headache or dizzy, nervous spells, acid stomach, or you have rheumatism when the weather is bad, get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate clogged kidneys; to neutralize the acids in the urine so it no longer is a source of irritation, thus ending bladder disorders.

Jad Salts is inexpensive; cannot injure, makes a delightful effervescent lithia-water beverage, and belongs in every home, because nobody can make a mistake by having a good kidney flushing any time.—Adv.

Practical Effect. "Can't that man get along in his talk without so many 'damns'?" "I'm afraid not. He's a mill builder."

## IN MISERY WITH ECZEMA

Franklinton, La.—"About four years ago my face broke out in little red pimples. At first the eczema did not bother, but finally the pimples began itching and burning and then there came little raised places. I suffered untold misery. I scratched them until they bled and I could not sleep at night. I was ashamed of my face and I could not bear to touch it.

"I tried different remedies without result until I tried Cuticura Soap and Ointment and in six weeks they completely cured my face. That was nine months ago, and no sign has appeared since." (Signed) Mrs. Leola Stennett, Dec. 14, 1912.

Cuticura Soap and Ointment sold throughout the world. Sample of each free, with 32-p. Skin Book. Address post-card "Cuticura, Dept. L, Boston."—Adv.

## QUESTION OF FOLKS READ LIVE SUBJECT

### DEMOCRATS IN SENATE WILL CALL CAUCUS TO DISCUSS PROBLEMS.

### ATTITUDE OF THE PRESIDENT

Stone Takes Little Stock in Talk That Toll Plank Was Sneaked in Platform as a Joker.—Wilson Sends No Message.

Washington.—Repeal of the provisions of the Panama canal act exempting American coastwise ships from tolls, favored by President Wilson, is to be made a subject of consideration and action by a Democratic caucus of the senate. That this would be a wise and necessary course in the interest of party harmony and the Nation's foreign policy, is conclusion of administration senators who have discussed the subject with the president within the last few days. The president told callers he did not intend to send a message to congress on the subject.

How soon the caucus will be called has not been determined but several senators frankly asserted that the Democrats would get together to weigh the situation as presented by the president and settle for themselves the whole controversy. The fact that the Democratic party endorsed the toll exemption policy at the Baltimore convention, these senators and President Wilson hold, should not be a subject of open controversy at this time because conditions involved in the tolls question have changed since that time. The point to be settled is whether the policy of tolls adopted by the nation through the action of congress should be reversed regardless of the declaration in the Baltimore platform.

President Wilson has made it plain to Senate and House leaders that he is not attempting to force Congress to reverse itself. He has outlined to them the country's situation with respect to foreign relations, and his belief that a reversal of the policy on the tolls question would be the best thing. He is seeking to convince Congress that this is so, but party leaders who have talked with him declare that he is not attempting it in any spirit of antagonism, but in a spirit of co-operation for the general welfare.

One Senator said that there is a general understanding in Congress that the shaping of the country's foreign policy should be directed by the President and that Congress must give ear to him whether legislation affects that policy. For this reason, the feeling is that the tolls question should be discussed in a party caucus.

### Faces Serious Charge.

Memphis, Tenn.—C. H. Raine, president of the Mercantile bank, which has closed its doors, was arrested on charge of embezzling more than three quarters of a million dollars from the institution. His bond was fixed at \$250,000, which he made no attempt to meet. He is held at the county jail.

### Lieutenant Post is Killed.

San Diego, Cal.—Lieutenant H. B. Post, first aero corps, U. S. A., was instantly killed by a fall of 500 feet in a hydro-aeroplane. About 150 feet from the surface of the bay Lieutenant Post was seen to shoot clear of the machine. It was said by watchers that the engine exploded.

### Oppose Government Ownership.

Boston.—Opposition to immediate government ownership of telephone and telegraph systems is expressed in a statement given out by the New England council of the electric workers' union.

### Suspends John Burke.

Panama.—Col. George W. Goethals, chairman of the Panama canal commission, suspended John Burke, manager of the commissary department.

### Will Get Proper Treatment.

Washington.—Indirectly assurances for proper treatment of foreigners were received at the white house from Gen. Villa. Representations by American consular officers on the necessity of extending to Spaniards as well as all foreign subjects equal protection has met with compliance.

At the same time General Villa, it is understood, will not be disposed to ignore active participation by foreigners in the cause of General Huerta but will extend to any foreign combatants, however, the right of trial.

### Natives Hold Best Jobs.

Washington.—Only natives of Panama and Americans will be hereafter employed in the higher grades of service on the Panama canal. The rule will apply to all employees who receive more than \$75 a month or more than 40 cents an hour. Aliens may be employed in those grades if they have occupied similar positions during the construction of the canal for two years or more. They also may be employed temporarily in emergencies. The eight-hour law will be applied to all employees above the labor grades.

## MOTHER! LOOK AT CHILD'S TONGUE

If cross, feverish, constipated, give "California Syrup of Figs"

A laxative today saves a sick child tomorrow. Children simply will not take the time from play to empty their bowels, which become clogged up with waste, liver gets sluggish; stomach sour.

Look at the tongue, mother! If coated, or your child is listless, cross, feverish, breath bad, restless, doesn't eat heartily, full of cold or has sore throat or any other children's ailment, give a teaspoonful of "California Syrup of Figs," then don't worry, because it is perfectly harmless, and in a few hours all this constipation poison, sour bile and fermenting waste will gently move out of the bowels, and you have a well-playful child again. A thorough "inside cleansing" is oftentimes all that is necessary. It should be the first treatment given in any sickness.

Beware of counterfeit fig syrups. Ask at the store for a 50-cent bottle of "California Syrup of Figs," which has full directions for babies, children of all ages and for grown-ups plainly printed on the bottle. Adv.
