Friday, February 20, 1914

The entire country regrets the sudden death of Senator Bacon, who had served so long and faithfully as Chairman of the Committee on Foreign Relations. His death at this time is most untimely, when one considers the Mexican situation and the part that the United States must play for itself and other nations.

Ex-Governor Mann, of Virginia, has asserted that three-fourths of the crime which came under his observation during the four years that he served as Chief Executive of that State, was caused by whiskey. Virginia booze has a powerful effect for the bad then, both in the Old Dominion and in North Carolina. Some of "our," however, is home-made.

Soon the herrings will be running up the Roanoke, and whether the pork barrel is full or not will mean little, for then every man with a little twine, two small ash poles and a cypress "dug-out" can be master of his own fate for many moons. The salted and dried product is delicious food with water ground meal and coffee.

Explanation

In reporting the Smallpox situation around Hamilton in our issue of the 6th, we had no intention of heaping glory on one man nor of robbing another of what was justly his due.

The photograph and information were given our reporter by Dr. B. L. Long in a general way and as a news item. And our investigation proves to us that Dr. Long did not intend to take any honors from Dr. Fleming. If together or individually they have succeeded in stamping out the plague, then there is honor enough for both.

DON'T LET CONSTIPATION RUIN YOUR HEALTH

It Deadens The Brain and Weakens the Body. Nature Needs Real and Harmless Aid to Overcome it

Nature does her best to fight constipation and its evil effect. She fights to the last atom of her strength, but usually she has to have assistance.

To avoid the sluggish brain and weakened body, the sick headache, coated tongue and biliousness, it is unwise to use unpleasant calomel, a medicine so strong that it leaves most people "all knocked out." Don't take chances with your health.

A great number of people have learned that Dodson's Liver Tone (50c.) makes one brighter, healthier and happier in a perfectly easy and natural way, with no in nor gripe and no bad after-effects. Saunders & Fowden guarantee it without condition and will refund purchase price if you are not entirely satisfied. Dodson's Liver Tone is an absolutely safe, pleasant tasting vegetable liquid and a wonderful liver stimulant which takes the place of calomel, but be sure you get Dodson's.
