### When Out of Sorts Start Your Liver Working

No Matter What Ails You, Dod-  
son's Liver Tone is Usually a  
Big Help in Getting Well.  
Avoid Calomel.

Nine times out of ten, when  
you are ill or out of sorts, your  
liver is out of order and getting  
it in order again will make you  
feel better. When your liver is  
sluggish and torpid and you are  
constipated and bilious, it is im-  
possible to feel well.

There was a time when a great  
number of people took calomel  
when so troubled. But this is  
not true today. It has become  
widely known that calomel often  
has had aftereffects and is even  
dangerous to many. The use of  
Dodson's Liver Tone instead of  
calomel has spread wonderfully  
because it has proved so benefi-  
cial in so many households.

Saunders & Fowden recom-  
mend and guarantee Dodson's  
Liver Tone instead of calomel and  
guarantee to refund purchase  
price (50c.) to you instantly with-  
out question if you are not per-  
fectly pleased with the way in  
which it relieves you from consti-  
pation, sick headache, biliousness,  
etc. It "liven's the liver" and is  
a pleasant-tasting, causes no pain  
no gripe, no bad results, no  
change from your regular duties  
and habits.

To test Dodson's Liver Tone is  
a sensible matter because you get  
your money back if you are not  
satisfied.
