Hon. John H. Small Renominated

Hon. John H. Small was renominated at Edenton on Monday. Congressman Small is the senior member of the North Carolina delegation, and this is the ninth time that he has been honored with the nomination. No man from the South has done a more faithful work for his constituency than has John Small, and the First District honors itself in renominating him from year to year without opposition. Martin County Democrats are always strong in their attachment to him, feeling that their interests are safe in his hands. It is safely predicted that he will represent the First as long as he desires.
