Red Door Store

Jamesville Items

The unveiling which was to have been on last Sunday, was postponed on account of the inclement weather. District Manager S. O'Brien and Sovereign J. E. Evans, the orator for the occasion, came over from Greenville Saturday night, but owing to the postponement, they left Sunday night without meeting the many sovereigns. No date for the unveiling has been arranged yet.

The war times seem to have no effect on the building contracts here. The banking house is nearing completion. A store will be begun soon, the contract to be let by H. T. Stallings. Plans for a new postoffice building were perfected this week by Postmaster Corey.

Luther Hardison has enclosed his saw mill for the winter.

Joe Hardison has purchased a new pea picker.

Owner Stallings is sick with diphtheria, but is better.

Josephine Teel is visiting in Plymouth for two weeks.

Clarence Stallings has bought an auto.

E. N. Hardison went to Williamston Thursday.

National Anthem Naturally.

The organist was not lacking in patriotism, yet rebelled when asked to play "The Star-Spangled Banner" at a wedding.

"It is not appropriate," he said. "Ain't it?" said the bride's father. "Cut all the rest of the program, if you want to, but stick to this. After me having the hardest kind of a fight to keep Belle's mother from marrying her off to a foreigner! Between Billy and me we won out for an American, and if this ain't the time for the 'Star-Spangled Banner,' I'd like to know when that time is!"

To Soften Paint Brushes.

Vinegar heated to the boiling point will soften paint-brushes that have become stiff and hard.

All Women Are Observing.

The world is the book of women. Whatever knowledge they may possess is more commonly acquired by observation than by reading.—Rous-

Why She Stopped Talking.

A very talkative little girl, who had been chattering away like a magpie all morning, suddenly became silent when a lady, dressed in the extreme of the fashion, called her mother. Wishing to be amiable the visitor said to the chatterbox: "Have you lost your tongue, my dear?" "Oh, no, ma'am," was the reply; "only my breath."

Would Do the Same.

A Pennsylvania preacher says the rich prefer an automobile to a Bible, and our guess is that a vast majority of the poor would not be slow to manifest a similar preference if given an opportunity.

Laid Nest Full of Chicks

One day little Imogene ran into the house greatly excited, and exclaimed: "Oh, mama, what do you think? Our old speckled hen has laid a nest full of little chicks!"

A Beginner.

"Are you a socialist?" "I am." "What do you understand by socialism?" "I haven't got as far along as the understanding part. I picked socialism because I don't like any of the regular brands of politics."

It Really Does Relieve Rheumatism

Everybody who is afflicted with Rheumatism in any form should by all means keep a bottle of Sloan's Liniment on hand. The minute you feel pain or soreness in a joint or muscle, bathe it with Sloan's Liniment. Do not rub it. Sloan's penetrates almost immediately right to the seat of pain, relieving the inflammation, loosening feeling and making the joint easy and comfortable. Get a bottle of Sloan's Liniment in 25c. bottles of any druggist and use it in the house—against colds, sore and swollen joints, rheumatism, neuralgia, sciatica and like ailments.
