 Person Remedy Co.,
 Charlotte, N. C.,
 Gentlemen:

Sometime ago I was attacked with a serious spell of Typhoid Fever, which left me in a very weak condition and effected my limbs. We decided it had resulted in white swelling. Every remedy we could think of was used, but to no effect. My suffering was great and I had to go on crutches. At last we were induced to try Mrs. Joe Person's Remedy, after suffering for two years, and the result was marvelous. After taking eight bottles I was entirely cured, and have never had a symptom of trouble since. My faith in Mrs. Joe Person's Remedy is great and I would advise all sufferers to give it a trial and be convinced as I have.

(Signed) Mrs. R. W. Grimes.

Words From Andrew Carnegie

Andrew Carnegie's words concerning saving should carry weight. He has tried it and he knows. He says:

"For every dollar you can produce as a result of hard earned savings, Midas, in search of a partner, will lend on credit a thousand. It is not capital that men require; it is the man who has proved that he has the business habits that create capital."

Kirstin Stump Puller
One Man — Horse Power

For nearly a quarter century the Kirstin Horse Power Stump Puller has proved its superiority on Southern stump lands. Thousands of Southern farmers have been started on the road to prosperity by a Kirstin.

It is designed for Southern work and will pull anything it tackles, be it a thick, green pine, a deeply imbedded tap root or a field of hundreds of heavy stumps. The new triple power and automatic take-up enable it to perform the heaviest work with rapidity, certainty and without strain on man, horse or machine.

The One Man Puller gets the biggest stumps, too. Horses unnecessary. Double leverage gives you a giant's power: a push on the handle means a pull of tons on the stump. Clears an acre from one anchor and clears it ready for the plow.

Big money to those who order early. To first buyers in every locality we offer a special opportunity to join in our profit sharing plan. No canvassing; just a willingness to show your Kirstin to your neighbors. Don't wait, send the coupon today.

A. J. KIRSTIN COMPANY, 174 Main Street, Escanaba, Mich.
 Largest Manufacturers of Stump Pullers in the World

Every Kirstin is guaranteed for 15 years, saw or no saw. Your money back if the Kirstin does not live up to its promise. The Kirstin method clears land from 30 to 50 percent cheaper than any other. We guarantee this, too.

Have you another well-known make of puller? Don't like it as well as my Kirstin. The Kirstin triple power method is much better. I know because I have cleared over 100 acres.
 - M. E. Whigham, Enterprise, Ala.

The Kirstin Method gets rid of stumps after they are pulled.
