Chamberlain's Cough Remedy the Most Reliable

After many years' experience in the use of it and other cough medicines, there are many who prefer Chamberlain's to any other. Mrs. A. C. Kirstein, Greenville Ill., writes, "Chamberlain's Cough Remedy has been used in my mother's home and mine for years, and we always found it a quick cure for colds and bronchial troubles. We find it to be the most reliable cough medicine we have used."

Mrs. A. D. Mizelle left Tuesday for Raeford to visit friends, and from there will go to Asheville to join Mr. Mizell who has accepted a position there.

The push cart law is being enforced and those who owned the sidewalks are protesting. The people who think that the town was made for them specially, are very numerous around here.

Tobacco is higher here this week and the farmers are realizing the situation and are bringing great loads in for sale.

Lina Andrews, a highly respected colored woman, died at her home here early Monday evening. She had suffered with heart trouble for some time and her death was sudden.

The regular meeting of the Woman's Auxiliary of the Church of the Advent (Episcopal) will be held at the Rectory on Monday afternoon at 4.00 Members are requested to bring in the United Offerings and articles for the Mission box.

FOR RENT—Safety deposit boxes. Prices reasonable.—Martin Co., Savings and Trust Co.

McCORMICK MOWERS BETTER THAN EVER

One thing certain—you will be enthusiastic over the latest features in the always up-to-date, newly improved McCormick Mowers. Years of experience back up every point.

Come in and see the neat, clean strong design. See how easy you can handle the perfectly balanced cutter bar, see the automatic locking and releasing device on the lever. See how very high the bar can be raised without twisting or jamming sickle or cutter bar. The clutch cannot slip or work loose. A simple adjustment from outside keeps the gears always in proper mesh. Both wheels stay on the ground in heavy grass or weeds, no lack of tractive power.

You want Mower satisfaction—you want to examine an interesting mower—to compare it with others point by point—then drop in and study the improved McCormick.
