LOCALS

John C. Chitty left Saturday for Missouri to purchase a fine lot of mules for Martin County farmers

The open season for killing partridges commenced Wednesday, and Bob White will have to keep close cover as the local hunters are after him and his family,

It was regretted that Elder Thompson failed to reach here on Friday evening in time for service. The train reached the station here just before nine o'clock.

There have been much complaints about the sidewalks being blocked, especially Saturdays. The police will not hurt any one's feelings if they ask folks to clear the way, and then it is a law of the town.

Mr. Jack Frost and Mr. Cooley Iceman arrived in town Tuesday night, and left the impress of their fingers on nearly everything. It was the first visit of Mr. Iceman this fall, and people shivered when they saw his presence.
