Word Picture of Jerusalem.
The best word-picture of the ancient city of Jerusalem is Pierre Loti's. He went thither on a pilgrimage from Egypt across the desert, along the same line which has been followed by the English forces. "The sun rises, pale, ominously yellow, a sun of storm, amid threatening clouds," he writes. "Beyond a large city is gradually revealed, on stony and mournful mountains; through the dust and lashing rain it is not easy to distinguish it. Jerusalem, recognizable from all other towns, with its formidable walls and its little cupola-covered roofs of stone; Jerusalem, gloomy and high, inclosed within its battlements, under a dark sky."

A GREAT DISCOVERY
(By J. H. Watson, M. D.)

Swollen hands, ankles, feet are due to a drooping condition, often caused by disordered kidneys. Naturally when the kidneys are deranged the blood is filled with poisonous waste matter, which settles in the feet, ankles and wrists; or under the eyes in bag-like formations.
As a remedy for those easily recognized symptoms of inflammation caused by uric acid—acid urine, backache and frequent urination, as well as sediment in the urine, or if uric acid in the blood has caused rheumatism, lumbago, sciatica, gout, it is simply wonderful how quickly An-uric acts; the pains and stiffness rapidly disappear, for Anuric (double strength), is many times more potent than lithia and often eliminates uric acid as hot water melts sugar. All druggists, Dr. Pierce's Pleasant Pellets for the liver and bowels have been favorably known for nearly 50 years.
Anuric is a recent scientific discovery by Dr. Pierce, Chief of Staff at the "Invalids' Hotel and Surgical Inst., in Buffalo, N. Y. Send 10c there for a trial pkg. of Anuric. Large package 60c.

Need of Haste.
A man whose duty kept him up nights, entered a downtown restaurant at a late hour one evening, relates an exchange. He glanced at the clock, then at the calendar, then at the menu, from which he ordered a frugal repast. Then he waited, nervously.
At the end of ten minutes, he succeeded in catching his waiter's eye.
"Look here, how long am I going to have to wait for that grub I ordered?" he inquired.
"Oh, I guess it won't be long now," yawned the waiter. "In a hurry?"
"In a hurry? Say, I ordered a meal without meat because it is meatless day. And if I have to wait five minutes longer, it will be a breathless day, and I won't get a thing!"

Interesting Distinction.
"One way to find out who likes you and who doesn't," remarked Miss Cayenne, "is to learn to play the violin."
"What has that to do with friendship?"
"The people who like you will call you a violinist. Those who don't will call you a fiddler."

A North Carolina Woman Speaks
Whitakers, N. C.—"I suffered from backache, frequent, scant urine, rheumatic pains and a worn-out feeling, also had spells with my heart and swelling of feet and ankles. I learned of Dr. Pierce's Anuric and used a sample package and then ordered a full-size package. This relieved me and I gained considerably; it also relieved me of headache from which I suffered very much. Anuric is fine for the kidneys."—MRS. SARAH A. SHEARIN.
If you wish to send a sample of your water to Dr. Pierce's Invalids' Hotel, Buffalo, N. Y., and describe your symptoms, same will be examined without any expense to you, and Dr. Pierce or his staff of Assisting Physicians will inform you truthfully.—Adv.

INTERNATIONAL SUNDAY SCHOOL LESSON

(Copyright, 1917, Western Newspaper Union.)

LESSON FOR DECEMBER 16

NEHEMIAS ENFORCES THE LAW OF THE SABBATH.

LESSON TEXT—Nehemiah 13:15-22.
GOLDEN TEXT—Remember the Sabbath Day to keep it holy.—Exod. 20:8.
Nehemiah remained in Jerusalem twelve years, from B. C. 444 to B. C. 432. He was then recalled and was in Persia some years, perhaps five or seven, but returned about B. C. 425, the year Artaxerxes died, for we know that he returned by permission of that king. Therefore, the date of this lesson would be sometime in the summer or early autumn of 428 or 427 B. C., 16 or 18 years following last Sunday's lesson.

In the section, vv. 10-14, we see that the gifts for the house of God and the Levites, who led in worship, had been neglected. Whenever the house of God and its service of worship is neglected, we may expect that the Sabbath day and the worship of God will also soon fall into contempt. Ezra had dropped out of our history without a hint as to his end.

I. "Remember" (v. 14) the Neglect of God's House. (vv. 1-14). The neglect of God's house grew up out of the incursion of heathenism into Jewish life. Nehemiah realized that the purity of the race depended upon absolute separation from the mixed multitude. (v. 8). Nehemiah also confronted the difficulty of having a priest. (vv. 4, 5), who had defiled himself and also desecrated the temple, and finally the portion for the support of the priest and the temple worship had been withheld. (v. 10).

II. "Remember" (v. 12) the Sabbath Day. (vv. 15-22). Nehemiah's next and most difficult reform was regarding the fourth commandment. He at once set about to learn the facts; then relates what he saw (v. 15). The record also tells how he testified against them in that they were selling merchandise on the Sabbath day. He contended with the nobles that they had done evil on the Sabbath day. (v. 17). He testified against them that the merchants and sellers of ware had lodged about and within Jerusalem. (vv. 20, 21). The root of the trouble with Judah was that they forgot God's word and followed the devices and desires of their own hearts. The Jewish Sabbath in its outward form on the exact day of the week is not binding upon Gentile Christians (Col. 2:16, 17). It was given to Israel as a people. (Deut. 5:1, 2), as a memorial of their deliverance out of the land of Egypt and the house of bondage. (Deut. 5:6). The Christian, by the death of Christ, is made dead to the letter of the law of Moses. (Deut. 7:4), but the principle of the Sabbath is older than even the law of Moses and is as binding upon the Christian believer as are the many other principles which underlie the Mosaic law. In its exact form, the seventh day, the observance of the Sabbath belongs to the old order and not to the Christian order. Christ, who rose from the dead (Rom. 7:4), rose on the first day of the week, and we, as joined to Christ, are not under obligations to the Mosaic law, but to Christ. Therefore, the Lord's day, the resurrection day, the first day of the week, (Rev. 1:10; John 21:20; 1:10-26; Acts 27), is the day of privilege, not of obligation and is more sacred to us than the Sabbath day of these Jews. The Jews in Nehemiah's time showed their contempt of the Lord's day by making it a day of profit, hence this exhortation which we see set forth in this section. This should be a warning and an exhortation to us in these days of a secularized Sabbath.

III. "Remember" (v. 29) the Holy Priesthood. (vv. 23-31). In this section we see that the priesthood had even defiled themselves with women, and again this Nehemiah entered upon a cleansing process. (vv. 30-31). The use of this word "remember" in verses 14, 22 and 29 gives strong emphasis to the three cardinal sins against which Nehemiah was battling.

IV. Summary: As in Nehemiah's time, so now, Sabbath desecration is the surest road to national ruin, and a large proportion of our present calamity can be traced to growing irreverence for the Lord's day. Jesus swept away the cobwebs of Sabbath irreverence, but did not tear down the house. He kept the principle, but removed the barnacles with which the Pharisees and Jews had encumbered it. Jesus taught that the Sabbath was made for man and not man for the Sabbath. (Mark 2:27, 28), and he set himself as an example in this regard, for he is Lord of that day as well as the other days of the week.
The Sabbath is a day of rest and if observed, workmen without exception will produce more than is possible if it is not observed.
The chief value of the Sabbath, however, is in connection with the worship of God. The feeding of the spiritual nature; the rest which is to be differentiated from mere holiday or pleasure; its need for adult and child life; its educational value; its opportunity for Christian service and exaltation of family relations, all show it to have been created to fill a real need and to manifest the wisdom and goodness of God.

Zekeiah's Progress.

Speaking at a dinner, Senator Porter J. McCumber of North Dakota referred to the progress of the farmer, and smilingly recalled this little story:
Uncle Josh was on his way to town one afternoon, and chancing to see his friend Abner working in an adjacent field, he paused for a small chat over the barbed wire fence. Incidentally inquiry was made after Abner's eldest son, Zekeiah.
"Zekeiah is in the city now," answered Abner, with some show of pride. "Been there most a year."
"Yes, I know that," returned Uncle Josh. "What I was wondering was which side he was on."
"Which side he was on," queried Abner, with a puzzled expression. "I don't just quite get ye."
"What I mean, Abner," explained Uncle Josh, "is Zekeiah's buyin' gold bricks yet, or has he started in to sell 'em?"

Benefits From Sleep.
Sleep is a great preserver of youth. Eight hours at night and a short nap during the day will do much to keep the face free from wrinkles. Always sleep with the bedroom window open a few inches at the top, both in summer and in winter, says a physician. A daily morning bath, tepid in winter and cold in summer, with a brisk rub to follow, will keep the skin fresh and clear. Two hours must be passed in the open air, walking, riding or playing games. "All tight clothing, and especially tight lacing, must be avoided, as compression disturbs the circulation and is often the cause of enlarged veins and red noses. A celebrated woman, who was famous even in her old age for her beautiful, clear complexion and freedom from wrinkles, was once persuaded to tell the secret of her youthful looks. The answer was simple. Abstinence had been the rule of her life. No tea, coffee or stimulant of any kind. To keep well drink lemonade or water, eat apples, grapes and figs regularly. Take the raw juice of a lemon every day. Never fail to walk regularly. Bathe frequently."

Why That Lame Back?

Morning lameness, sharp twinges when bending, or an all-day backache; each is cause enough to suspect kidney trouble. Get after the cause. Help the kidneys. We Americans go it too hard. We overdo, overeat and neglect our sleep and exercise and so we are fast becoming a nation of kidney sufferers. 72% more deaths than in 1890 is the 1910 census story. Use Doan's Kidney Pills. Thousands recommend them.

A South Carolina Case

John M. Wilson, R. F. D. No. 1, Traveler's Rest, S. C., says: "Hardships weakened my kidneys and I had awful pains in my back. I steadily got worse and was terribly annoyed by scalding and too frequent passages of the kidney secretions. Rheumatic pains in my hips kept me awake and my ankles and feet swelled. I had awful dizzy spells, too. Doan's Kidney Pills restored me to good health."
