IMPROVED UNIFORM INTERNATIONAL SUNDAY SCHOOL LESSON

LESSON FOR APRIL 14

JESUS REQUIRES CONFESSION AND LOYALTY.

LESSON TEXT—Mark 8:27-38.
GOLDEN TEXT—Whoever will come after me, let him deny himself, and take up his cross, and follow me.—Mark 8:34.
DEVOTIONAL READINGS—Romans 10:8-10; Hebrews 12:1-2, 12-15.
ADDITIONAL MATERIAL FOR TEACHERS—Luke 9:18-27; 9:52.
PRIMARY AND JUNIOR TOPIC—Jesus and the Blind Man.
LESSON MATERIAL—Mark 8:27-38.
PRIMARY MEMORY VERSE—He hath done all things well.—Mark 7:37.

The time has now come for Jesus to take account of his ministry. Having been rejected by the rulers, he goes into retirement with his disciples. His primary object in his teaching during this time is to prepare the disciples for the tragedy of the cross, which he knew was so near. His teaching gathers around the great cardinal doctrines of the Christian faith. He instructs them touching his person, atoning death, resurrection and glorious coming again. He knew that in the measure that they intelligently apprehended these things they would be able to pass through the ordeals before them. The same is true today. Those who clearly apprehend the Divine Person, the vicarious atonement, the glorious resurrection, and second coming of Christ, are undisturbed by the world tragedies of the present hour.

I. Peter's Confession of Christ (vv. 27-30).
Two questions of Christ provoked this confession:

1. "Whom do men say that I am?" (vv. 27, 28).

This question referred to the opinions of the people regarding Jesus. Some believed him to be John the Baptist, some Elijah, and some one of the prophets. They all recognized him to be a teacher or prophet with more than human authority and power. Today, as then, there is a diversity of opinion among people as to Jesus Christ. Some think that he was only a man, others that he was a great teacher, but nothing more. Jesus was not content with this acknowledgment. Had he been satisfied with this, he would not have been molested in Jerusalem, for the Jews willingly acknowledged him as much more than a human teacher.

2. "Whom say ye that I am?" (vv. 29, 30).

II. Jesus Teaching Concerning the Cross (vv. 31-33).

Christ charged the disciples not to make public his Messiahship, as that would precipitate the crisis. The disciples needed much instruction yet to prepare them for the crucial hour of the cross.

1. What he taught (v. 31).

(1) "The Son of Man must suffer many things."

He suffered physical weariness and hunger, ridicule and contempt, and even misunderstanding and lack of appreciation on the part of his friends and disciples.

(2) "Be rejected of the elders, chief priests and scribes."
These were the nation's official representatives, the very ones who should have known and received Christ and recommended his reception on the part of the nation. Truly, he came to his own, and his own received him not—John 1:11. To be rejected by one's own friends and relatives is doubly painful.

(3) "Be killed."

This announcement was startling to the disciples. They had not yet come to realize that redemption was to be accomplished through the passion and the cross. Jesus now states with definiteness and certainty that he must die on the cross. This necessity was due primarily to the fact that it was the divine purpose to make the death of Christ the heart and core of the atonement; and also, to human hatred and opposition.

(4) "Rise again."

Though this was utterly incomprehensible to the disciples, he shows them that this would be the glorious issue of his death.

III. The Cost of Discipleship (v. 34).

The law of the Christian life is suffering. To follow Christ means to turn one's back upon the world. To repudiate the world means to incur the hatred of the world. To be Christians, therefore, means to share Christ's sufferings.

1. There must be denial of self (v. 34).

This means the sufferings and shame which lie in the path of loyalty to God. To live the godly life means suffering (2 Tim. 3:12).

3. Christ must be followed (v. 34).

This means to have the mind of Christ (Phil. 2:5) and to perform the service of Christ.

IV. The Issue of Discipleship (vv. 35-38).

The blessed issue of following Christ is a life of freedom here and now, and eternal life hereafter. Such sacrifice enriches the life that now is, and prepares for the enjoyment of the life which is to come. To barter the future life for present enjoyment is most foolish, for the choices of life are fraught with eternal issues. Those who refuse to follow in Christ's footsteps shall be separated from him at his glorious appearing (v. 38; compare 2 Thess. 1:7-10). Are you prepared when the call shall come?

Lemons Whiten and Beautify the Skin! Make Cheap Lotion

The juice of two fresh lemons strained into a bottle containing three ounces of orchard white makes a whole quart pint of the most remarkable lemon skin beautifier at about the cost one must pay for a small jar of the ordinary cold creams. Care should be taken to strain the lemon juice through a fine cloth so no lemon pulp gets in, then this lotion will keep fresh for months. Every woman knows that lemon juice is used to bleach and remove such blemishes as freckles, sallowness and tan and is the ideal skin softener, smootheer and beautifier.

Just try it! Make up a quart pint of this sweetly fragrant lemon lotion and massage it daily into the face, neck, arms and hands. It should naturally help to whiten, soften, freshen and bring out the hidden roses and beauty of any skin. It is wonderful for rough, red hands.

Your druggist will sell three ounces of orchard white at little cost, and any grocer will supply the lemons. Adv.

Fruit Picker's Dream Come True.

An ingenious method of gathering fruit which reduces the fruit picker's work to a minimum, makes use of a large net suspended above the ground directly under a tree and does away with the usual fruit-picking harness, buckets, pulls and baskets, says the Popular Science Monthly. The fruit is dropped from the tree by the picker and it falls into the net and rolls down through a coneshaped canvas spout into a barrel or fruit box. The net is held taut by a framework supported by iron posts driven in the ground.

Calomel Users! Listen To Me! I Guarantee Dodson's Liver Tone

Your druggist gives back your money if it doesn't liven your liver and bowels and straighten you up without making you sick.

Ugh! Calomel makes you sick. It's horrible! Take a dose of the dangerous drug tonight and tomorrow you may lose a day's work.

Calomel is mercury or quicksilver which causes necrosis of the bones. Calomel, when it comes into contact with sour bile, crashes into it, breaking it up. This is when you feel that awful nausea and cramping. If you are sluggish and "all knocked out," if your liver is torpid and bowels constipated or you have headache, dizziness, coated tongue, if breath is bad or stomach sour, just try a spoonful of harmless Dodson's Liver Tone tonight.

Here's my guarantee—Go to any drug store and get a bottle of Dodson's Liver Tone for a few cents. Take a

spoonful and if it doesn't straighten you right up and make you feel fine and vigorous I want you to go back to the store and get your money. Dodson's Liver Tone is destroying the sale of calomel because it is real liver medicine; entirely vegetable, therefore it cannot salivate or make you sick.

I guarantee that one spoonful of Dodson's Liver Tone will put your sluggish liver to work and clean your bowels of that sour bile and constipated waste which is clogging your system and making you feel miserable. I guarantee that a bottle of Dodson's Liver Tone will keep your entire family feeling fine for months. Give it to your children. It is harmless; doesn't gripe and they like its pleasant taste.
