## SEPTEMBER 21 HONOR FLAG DAY

Counties That Have Received War Savings Honor Flags Requested to Raise Them September 21

Counties that have received their War Savings Honor Flags, or will have received them by September 21, are requested to celebrate the occasion by holding a patriotic rally on that day at the county seat. Col. W. H. Fries, State War Savings Director, urges the chairman of every county which will have on that day a 100 per cent War Savings record, a record that the citizens of the county have pledged themselves to buy their full quota of War Savings Stamps before January 1, 1919, to emphasize this evidence of their patriotism for the inspiration it will have for a continued and even greater service through the War Savings campaign.

While the chairman of each county will make the plans for his county's celebration Colonel Fries suggests that patriotic speeches, music, parades and a picnic dinner be made some of the features, and that every patriotic citizen of the county be invited to attend.

As the War Savings Honor Flag represents as yet only the pledged victory of any county in the War Savings Campaign, the occasion of raising

the county's Honor Flag should be used to impress upon the minds of the people the importance and value of their redeeming their pledges as soon as possible and increasing them to the full extent of their ability to buy. It is believed that county chairmen can turn to good account this occasion and should log no time in making their plans for its success.

The Honor Flag is eight feet long by five feet wide and is similar in design to the National Service Flag. In the large white center in place of the stars are the blue letters and figures "W. S. S. 100%". This flag should be raised either on the flag pole just beneath old Glory, or on a separate flag pole erected on the Court House or the Court House grounds for this purpose.

To date sixteen counties have received their War Savings Honor Flags. These are Wilson, Martin, Greene, Pitt, Jones, Perquimans, Edgecombe, Nash, Lenoir, Franklin, Forsyth, Cabarrus, Lenoir, Union, Henderson and Gates. Many other counties are expecting to raise their full quotas and pledges and to receive their Honor Flag by September 21.

A great conference of war workers are gathered at Raleigh today and are organizing for the purpose of combining the various campaigns for war relief work, so that a Y M C A work, a Red Cross worker, or any other helper in war work chosen will represent all of said organizations, this will save time for both the representatives of the organization and the public in eliminating repeated appeals.
