Thank You

We wish to say to our friends and customers that we most heartily thank them for the loyal patronage they have given us in the past, and to say further that while past patronage is appreciated, we feel that the way we have handled sales and the prices we have gotten for your tobacco warrant us in asking for your future sales. Should you at any time feel like you did not get the full value for every pile of your tobacco sold on our floors please let us know just as soon as the sales are over so that we can adjust the matter satisfactorily with you before you leave our house. Our prices are good on all good high grades and if you will come to see us and bring us your tobacco we will do our best for you on all grades. So bring us your next load and we will hold the Brick Warehouse up to its standard of service and high prices.
