# MANY PEOPLE REPORT BIG GAINS IN WEIGHT

Thousands of Thin Frail People Restored to Health By Tanlac

MANY REMARKABLE EXPERIENCES TOLD

People of Prominence Tell What Celebrated Medicine Has Done For Them

One of the most noteworthy features of connection with Tanlac and the one that stands out more prominently than any other, perhaps, is the very large number of well-known men and women from all parts of the South who have reported as astonishing and rapid increases in weight as a result of its use.

When so many well-known people of unquestioned integrity make statements after statement, each corroborating the other, the truth of such statements can no longer be doubted.

Thousands have testified that this famous medicine has completely restored them to health and strength, after every other medicine and the most skilled medical treatment have failed.

One of the most remarkable cases is that of Mrs. Charles Peden, Cross Street, City, Rocky Mount, whose statement appears below:

"I have about a many people getting fat," she said, "and my husband got me a bottle. After taking three bottles I began to feel better. I have taken several bottles of Tanlac now and I can walk anywhere and sleep like a child. When I took my first dose of Tanlac I weighed only one hundred and twenty-two pounds. I now weigh one hundred and sixty-two, an actual gain of forty pounds since I started on Tanlac."

Texas Man Testifies. Another remarkable case was that of John M. Crabtree, a general merchant of Five Mile Station A, Dallas, Tex.

"I have actually gained thirty-four pounds on three bottles of Tanlac and I now know what it is to enjoy good health after suffering for twenty years," said Mr. Crabtree.

"I suffered with catarrh of the stomach and indigestion for twenty years and for eighteen months, before I started taking Tanlac I had to live almost entirely on cereals. I spent nearly all of one winter in bed and was unable to do anything at all and I fell down weight to 115 pounds."

"After using my third bottle of Tanlac I found I had increased in weight from 118 pounds to 152 pounds making an actual gain of thirty-four pounds all my troubles were gone, and I was feeling like a younger man."

Captain J. D. Riggs, popular Y & M V. engineer, running between Vicksburg and New Orleans and residing at 2020 Pearl Street, Vicksburg, in speaking of his experience with Tanlac, said: "Yes, sir, it's an actual fact, I have gained twenty-four pounds on Tanlac."

"When I began taking the medicine," continued Captain Riggs, "I was simply a nervous and physical wreck and had dropped down in weight from one hundred and forty to one hundred and ten pounds."

"I have just finished my second bottle of Tanlac, have gained twenty-five pounds and I feel like a new man."

Old-Time Engineer Talks. Engineer Chas. J. Weeks, who runs the Seaboard Air Line fast train "Fox" between Jacksonville and Tampa, bears the distinction of being the second old-

MRS. CHAS. PEDEN GAINS 25 POUNDS

Was Twice Examined And Told Operation Would Be Her Only Hope

"I HAVE just finished my third bottle of Tanlac and have gained twenty-seven pounds," was the truly remarkable statement made by Mrs. Charles Peden, residing at 55 Mill street, Huntsville, Ala.

"When I commenced taking the medicine," she continued, "I only weighed ninety eight (98) pounds; now I weigh 125 pounds, and never felt better in my life. For years I have suffered with a bad form of stomach trouble, constipation and pains in my side and back. At times the pains took the form of torture, and I was twice examined and each time I was told that I had appendicitis and that an operation would be my only hope."

"I had made all preparations for the operation and called in my sister to tell her goodbye as I did not know whether I would live to see her again or not. My sister begged and pleaded with me not to allow them to cut on me and told me to wait and try a good tonic for awhile. The next day, as I returned from the consultation room, I then heard what she said, and as I had heard so much about Tanlac, I decided to try it and got a bottle."

"I never returned for the operation, but just kept taking the Tanlac. Right from the start I began to feel better. The medicine seemed to take hold right at once."

"I was so happy over the wonderful improvement in my condition that I sent for my neighbors to tell them how much better I felt. I sent and got another bottle of Tanlac, and have just finished taking my third bottle and feel as if I have been made all over again into a new woman."

"I was in service with this road, having been with the company for thirty five years."

"I have gained twenty pounds on seven bottles of Tanlac and feel as well and happy as I did a boy," said Mr. Weeks.

"For twenty years I suffered with nervous indigestion of the worse sort," he continued, "and at times during the past fifteen years I didn't think I would last much longer. To tell you the truth, I finally reached the point where I didn't much care whether I lived or died."

Tanlac is now sold exclusively in Williamston by the S. R. Biggs Drug Co.; in Robersonville by C. L. Cannon; in Hassel by the Salisbury Supply Co. and in Oak City by Hines & Harrell.

## A WORD TO YOUNG MEN

We wish every young man in this town and county could start a bank account with us. It would not mean much to us but it would mean lots to them. What a recommendation it would be for our town and county could we say to the world that every young man carried a bank account. It would be worth more to the town than to advertise we had the greatest college on earth. Young men come in and let us talk this over with you.
