

Why Suffer?

Cardui "Did wonders for Me," declares This Lady.

"I suffered for a long time with womanly weakness," says Mrs. J. R. Simpson, of 57 Spruce St., Asheville, N. C. "I finally got to the place where it was an effort for me to go. I would have bearing-down pains in my side and back — especially severe across my back, and down in my side there was a great deal of soreness. I was nervous and easily upset.

TAKE

CARDUI

The Woman's Tonic

"I heard of Cardui and decided to use it," continues Mrs. Simpson. "I saw shortly it was benefiting me, so I kept it up and it did wonders for me. And since then I have been glad to praise Cardui. It is the best woman's tonic made." Weak women need a tonic. Thousands and thousands, like Mrs. Simpson, have found Cardui of benefit to them. Try Cardui for your trouble.

ALL DRUGGISTS

Clear, Peachy Skin Awaits Anyone Who Drinks Hot Water

Says an inside bath before breakfast helps us look and feel clean, sweet, fresh.

Sparkling and vivacious — merry, bright, alert — a good, clear skin and a natural, rosy, healthy complexion are assured only by pure blood. It is only every man and woman could be induced to adopt the morning inside bath, what a gratifying change would take place. Instead of the thousands of sickly, anemic-looking men, women and girls, with peasy or muddy complexions; instead of the multitudes of "nervy wrecks," "rundowns," "brain fags" and "passimists" we should see a virile, optimistic throng of rosy-cheeked people everywhere.

An inside bath is had by drinking each morning, before breakfast, a glass of real hot water with a teaspoonful of limestone phosphate in it to wash from the stomach, liver, kidneys and ten yards of bowels the previous day's indigestible waste, sour fermentations and poisons, thus cleansing, sweetening and freshening the entire alimentary canal before putting more food into the stomach.

Those subject to sick headaches, biliousness, nasty breath, rheumatism, colds; and particularly those who have a pallid, sallow complexion and who are constipated very often, are urged to obtain a quarter pound of limestone phosphate at the drug store which will cost but a trifle, but is sufficient to demonstrate the quick and remarkable change in both health and appearance, awaiting those who practice internal sanitation. We must remember that inside cleanliness is more important than outside, because the skin does not absorb impurities to contaminate the blood while the pores in the thirty feet of bowels do.

DRINK HOT TEA FOR A BAD COLD

Get a small package of Hamburg Brest Tea at any pharmacy. Take a tablespoonful of the tea, put a cup of boiling water upon it, pour through a sieve and drink a teaspoon full at any time during the day or before retiring. It is the most effective way to break a cold and cure grip, as it opens the pores of the skin, relieving congestion. Also loosens the bowels, thus driving a cold from the system.

Try it the next time you suffer from a cold or the grip. It is inexpensive and entirely vegetable, therefore safe and harmless.
