OLD-TIME COLD CURE— DRINK HOT TEA!

Get a small package of Hamburg Break Tea at any pharmacy. Take a tablespoonful of the tea, put a cup of boiling water upon it, pour through a sieve and drink a teacup full at any time during the day or before retiring. It is the most effective way to break a cold and cure grip, as it opens the pores of the skin, relieving congestion. Also loosens the bowels, thus breaking up a cold.
Try it the next time you suffer from a cold or the grip. It is inexpensive and entirely vegetable, therefore safe and harmless.

RUB RHEUMATISM FROM STIFF ACHING JOINTS

Rub Soreness from joints and muscles with a small trial bottle of old St. Jacobs Oil
Stop "dozing" Rheumatism. It's pain only; not one case in fifty requires internal treatment. Rub soothing, penetrating "St. Jacobs Oil" right on the "tender spot," and by the time you say Jack Robinson—out comes the rheumatic pain. "St. Jacobs Oil" is a harmless rheumatism cure which never disappoints and doesn't burn the skin. It takes pain, soreness and stiffness from aching joints, muscles and bones; stops sciatica, lumbago, backache, neuralgia.
Lumber up! Get a 35 cent bottle of old-time, honest "St. Jacobs Oil" from any drug store, and in a moment you'll be free from pains, aches and stiffness. Don't suffer! Rub rheumatism away.

COMB SAGE TEA IN HAIR TO DARKEN IT

It's Grandmother's Recipe to keep her Locks Dark, Glossy, Beautiful.

The old-time mixture of Sage Tea and Sulphur for darkening gray, streaked and faded hair is grandmother's recipe, and folks are again using it to keep their hair a good, even color, which is quite sensible, as we are living in an age when a youthful appearance is of the greatest advantage.

Nowadays, though, we don't have the troublesome task of gathering the sage and the mussy mixing at home. All drug stores sell the ready-to-use product, improved by the addition of other ingredients, called "Wyeth's Sage and Sulphur Compound." It is very popular because nobody can discover it has been applied. Simply moisten your comb or a soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, but what delights the ladies with Wyeth's Sage and Sulphur Compound, is that, besides beautifully darkening the hair after a few applications, it also produces that soft lustre and appearance of abundance which is so attractive. This ready-to-use preparation is a delightful toilet requisite for those who desire a more youthful appearance. It is not intended for the cure, mitigation or prevention of disease.

FIERY, ITCHING SKIN IS QUICKLY SOOTHED WITH THIS SULPHUR

Mentho-Sulphur, a pleasant cream, will soothe and heal skin that is irritated or broken out with eczema; that is covered with ugly rash or pimples, or is rough or dry. Nothing subdues fiery skin eruptions so quickly, says a noted skin specialist.
The moment this sulphur preparation is applied the itching stops and after two or three applications, the eczema is gone and the skin is delightfully clear and smooth. Sulphur is so precious as a skin remedy because it destroys the parasites that cause the burning, itching or disfigurement. Mentho-Sulphur always heals eczema right up.
Get a small jar of Mentho-Sulphur at any store or any good drug store.

DRUGS EXCITE YOUR KIDNEYS; USE SALTS

If your back is aching or bladder bothers, drink lots of water and eat less meat.

When your kidneys hurt and your back feels sore, don't get scared and proceed to load your stomach with a lot of drugs that excite the kidneys and irritate the entire urinary tract. Keep your kidneys clean like you keep your bowels clean, by flushing them with a mild, harmless salt which removes the body's urinous waste and stimulates them to their normal activity. The function of the kidneys is to filter the blood. In 24 hours they strain from it 600 grains of acid and waste, so we can readily understand the vital importance of keeping the kidneys active.

Drink lots of water—you can't drink too much; also get from any pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast each morning for a few days and your kidneys will set fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate clogged kidneys; also to neutralize the acids in urine so it no longer is a source of irritation, thus ending bladder weakness.
Jad Salts is inexpensive; cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep their kidneys clean and active. Try this, also keep up the water drinking, and no doubt you will wonder what became of your kidney trouble and backache.

Look and Feel Clean, Sweet and Fresh Every Day

Drink a glass of real hot water before breakfast to wash out poisons.

Life is not merely to live, but to live well, eat well, digest well, work well, sleep well, look well. What a glorious condition to attain, and yet how very easy it is if one will only adopt the morning inside bath.

Folks who are accustomed to feel dull and heavy when they arise, splitting headache, stuffy from a cold, foul tongue, nasty breath, acid stomach, can, instead, feel as fresh as a daisy by opening the stomach and kidneys each morning and flushing out the whole of the internal poisonous stagnant matter.

Everyone, whether ailing, sick or well, should, each morning, before breakfast, drink a glass of real hot water with a teaspoonful of limestone phosphate in it to wash from the stomach, liver, kidneys and bowels the previous day's indigestible waste, sour bile and poisonous toxins; thus cleansing, sweetening and purifying the entire alimentary canal before putting more food into the stomach. The action of hot water and limestone phosphate on an empty stomach is wonderfully invigorating. It cleans out all the sour fermentations, gases, and acidity and gives one a splendid appetite for breakfast. While you are enjoying your breakfast the water and phosphate are quietly extracting a large volume of water from the blood and getting ready for a thorough flushing of all the inside organs.

The millions of people who are bothered with constipation, indigestion, spells, stomach trouble, rheumatism, and others who have sallow skins, disordered and sickly complexions, are urged to get a quarter pound of limestone phosphate from the drug store, which will cost very little, but sufficient to make anyone pronounced crank on the subject of internal sanitation.

NOSE CLOGGED FROM A COLD OR CATARRH

Apply Cream in Nostrils to Open Up Air Passages.

Ah! What relief! Your clogged nostrils open right up, the air passes, your head is clear and you can breathe freely. No more hawking, no mucous discharge, headache, dryness, struggling for breath at night, or or catarrh is gone.

Don't stay stuffed up! Get a bottle of Ely's Cream Balm from the drugstore now. Apply a little of the fragrant, antiseptic cream in your nostrils, let it penetrate through the passage of the throat, soothe the swollen, inflamed mucous membrane, and you are instantly relieved. Ely's Balm is just what every cold, catarrh sufferer has been seeking. It is just splendid!

Crops and Acreage for 1921---

In our judgment the cotton and tobacco already on hand in this country together with not over a half crop for the coming year, is all that the world will be able to purchase and for at reasonable prices.

IF LARGE CROPS OF COTTON AND TOBACCO ARE PLANTED THIS SPRING IT WILL RESULT IN CONTINUED LOW PRICES, & EVEN LOWER PRICES DURING THE FALL AND WINTER OF 1921.

Acreage planted to these crops should not exceed one-half of last year's acreage and more feed and food crops should be planted to avoid sending millions of dollars away from home for feed and food.

Our course will be to confine our aid to Farmers, Merchants, etc., insisting upon the above policy and practice, in their respective communities.

We invite cooperation and correspondence from our customers on this subject.

Very respectfully,

The NEW EDISON
"The Phonograph with a Soul"

You want to know whether a phonograph brings you the actual performance of the artist, or a luke-warm version of his own. Only one test can tell you—the test of comparison. Only one phonograph can sustain this test—the New Edison.

Come in and examine our book of proof. It would be good in any court.
