**GRANDMA NEVER LET
HER HAIR GET GRAY**

She Kept Her Locks Dark and Glossy, with Sage Tea and Sulphur.

When you darken your hair with Sage Tea and Sulphur, no one can tell, because it's done so naturally, so evenly. Preparing this mixture, though, at home is messy and troublesome. A little cost you can buy at any drug store, the ready-to-use preparation, improved by the addition of other ingredients called "Weyth's Sage and Sulphur Compound." You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning all gray hair disappears, and, after another application or two, your hair becomes beautifully darkened, glossy and luxuriant.

Gray, faded hair, though no disgrace, is a sign of old age, and as we all desire a youthful and attractive appearance, get busy at once with Weyth's Sage and Sulphur Compound and look years younger. This ready-to-use preparation is a delightful toilet requisite and not a medicine. It is not intended for the cure, mitigation or prevention of disease.

**FIERY, ITCHING SKIN
IS QUICKLY SOOTHED
WITH THIS SULPHUR**

Mentho-Sulphur, a pleasant cream, will soothe and heal skin that is irritated or broken out with eczema; that is covered with ugly rash or pimples, or is rough or dry. Nothing soothes fiery skin eruptions so quickly, says a noted skin specialist.

The moment this sulphur preparation is applied the itching stops and after two or three applications, the eczema is gone and the skin is delightfully clear and smooth. Sulphur is so precious as a skin remedy because it destroys the parasites that cause the burning, itching or disfigurement. Mentho-Sulphur always heals eczema right up.

Small jar of Mentho-Sulphur may be had at any good drug store.

**OLD-TIME COLD CURE
DRINK HOT TEA!**

Get a small package of Hamburg Breast Tea at any pharmacy. Take a tablespoonful of the tea, put a cup of boiling water upon it, pour through a sieve and drink a teacup full at any time during the day or before retiring. It is the most effective way to break a cold and cure grip, as it opens the pores of the skin, relieving congestion. Also loosens the bowels, thus breaking up a cold.

Try it the next time you suffer from a cold or the grip. It is inexpensive and entirely vegetable, therefore safe and harmless.

**RUB RHEUMATISM FROM
STIFF ACHING JOINTS**

Rub Soreness from joints and muscles with a small trial bottle of old St. Jacobs Oil.

Stop "dosing" Rheumatism. It's pain only, not one case in fifty requires internal treatment. Rub soothing, penetrating "St. Jacobs Oil" right on the "tender spot," and by the time you say Jack Robinson—out comes the rheumatic pain. "St. Jacobs Oil" is a harmless rheumatism cure which never disappoints and doesn't burn the skin. It takes pain, soreness and stiffness from aching joints, muscles and bones; stops sciatica, lumbago, backache, neuralgia.

Limber up! Get a 35 cent bottle of old-time, honest "St. Jacobs Oil" from any drug store, and in a moment you'll be free from pains, aches and stiffness. Don't suffer! Rub rheumatism away.

**DRINK MORE WATER
IF KIDNEYS BOTHER**

Get less meat and take Salts for Backache or Bladder trouble—Neutralizes acids.

Uric acid in meat excites the kidneys, they become overworked; get sluggish, ache, and feel like lumps of lead. The urine becomes cloudy, the bladder is irritated, and you are obliged to seek relief two or three times during the night. When the kidneys clog you must help them flush off the body's urinous waste or you'll be a real sick person shortly.

At first you feel a dull misery in the kidney region, you suffer from backache, sick headache, rheumatism, stomach gets sour, tongue coated and you feel rheumatic twinges when the weather is bad.

Get less meat, drink lots of water; also get from any pharmacist four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then be all right. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean clogged kidneys and stimulate them to normal activity, so it no longer is a source of irritation, thus the bladder is relieved.

Jad Salts is inexpensive, cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep the kidneys clean and active. Druggists here say they sell lots of Jad Salts to folks who tell them of their bladder and kidney trouble while it is only trouble.

**NOSE CLOGGED FROM
A COLD OR CATARRH**

Apply Cream in Nostrils To Open Up Air Passages.

Ah! What relief! Your clogged nostrils open right up, the air passages of your head are clear and you can breathe freely. No more hacking, sniffling, mucous discharge, headache, dryness—no struggling for breath at night, your cold or catarrh is gone.

Don't stay stuffed up! Get a small bottle of Ely's Cream Balm from your druggist now. Apply a little of this fragrant, antiseptic cream in your nostrils, let it penetrate through every air passage of the head, soothe and heal the swollen, inflamed mucous membrane, giving you instant relief. Ely's Cream Balm is just what every cold and catarrh sufferer has been seeking. It's just splendid.

**Clear, Peachy Skin
Awaits Anyone Who
Drinks Hot Water**

Take an inside bath; before breakfast helps us look and feel clean, sweet, fresh.

Sparkling and vivacious—merry, bright, alert—a good, clear skin and a natural, rosy, healthy complexion are assured only by pure, smiling, only every man and woman could be induced to adopt the morning inside bath, what a gratifying change would take place. Instead of the thousands of sickly, anaemic-looking men, women and girls, with pasty or muddy complexions; instead of the multitudes of "nerve wrecks," "rundowns," "brain fags" and "peevishness" we should see a virile, optimistic throng of rosy-cheeked people everywhere.

An inside bath is had by drinking each morning, before breakfast, a glass of real hot water with a teaspoonful of limestone phosphate in it to wash from the stomach, liver, kidneys and ten yards of bowels the previous day's indigestible waste, sour fermentations and poisons, thus cleansing, sweetening, and freshening the entire alimentary canal before putting more food into the stomach.

Those subject to sick headache, biliousness, nasty breath, rheumatism, colds; and particularly those who have a pallid, sallow complexion and who are constipated very often, are urged to obtain a quart-sized bottle of limestone phosphate at the drug store which will cost but a trifle, but is sufficient to demonstrate the quick and remarkable change in both health and appearance, awaiting those who practice internal sanitation. We must remember that inside cleanliness is more important than outside, because the skin does not absorb impurities to contaminate the blood while the pores in the thirty feet of bowels do.
