IMPORTANT NOTICE TO OWNERS OF PROPERTY

The application blanks sent you some weeks ago must be signed and returned promptly. Remember this will relieve the town for another year of the state sanitary laws. It does not mean that you will have to put in sewer and water immediately, but simply puts it off for your convenience. Unless the application is signed and returned to M. S. Moore, Superintendent promptly, you will be placed under the state sanitary laws which will be considerable expense. Remember this is a matter of much importance.

Two or three years ago the state legislature passed a law requiring every person to build upon his lot in connection with each house which is known as a sanitary privy. Due to the fact that this town was putting in a water plant the law was not allowed to operate for it was contemplated that we would soon have running water and need not the sanitary privies. It took much longer than was at first thought necessary to put in the water plant and the state authorities have time and again extended the time for the town of Williamston. They realize that it will take time for the town to connect with the water lines. They have agreed that if these applications for connections are filed within a certain time they will extend the time another year for Williamston. If this is not done the town of Williamston goes under the state sanitary laws and each property will have to have running water at once or build a sanitary privy. It will be impossible for each property owner to get running water put in at once and the privies as required by the state laws would incur a big cost to the property owners. Sign your application and send it in at once to M. S. Moore, Supt.

M. S. MOORE.

WEEKLY REVIEW OF MARKET CONDITIONS

Hay: Receipts exceeding light in central west but demand equally limited. Prices steady. Trading very narrow. Eastern and southern markets inactive. Quoted May 27: No. 1 Timothy, New York, \$29.50, Cincinnati, \$22, Atlanta, \$31.

Feed: Higher wheat prices caused increase in flour buying and trade looks for lower wheat feed prices on prospects of increased milling. Feed market generally dull but not quotably lower. Cottontseed meal quoted lower in Cincinnati and few other markets as export demand dropped off.

Grain: Prices advanced sharply account had weather reports and hot dry weather in winter wheat belt, but advance terminated on the 26th on much needed rains in southwest. Export demand for wheat and corn good at times. On the 28th prices held within comparatively narrow limits on evening up for double holiday. Crop reports now more favorable. In Chicago cash market, No. 2 red winter wheat, \$1.68, No. 2, hard, \$1.68, No. 3, mixed corn, 64c, No. 3 yellow 64c, No. 3, white oats, 39 1-2c.

Fruits and vegetables: Northern round white potatoes down 15 to 20c at shipping points, ranging from 60 to 70c sacked per 100 lbs. Chicago carlot market dropped 40 to 50c, potatoes there now selling for 50 to 65c per 100 lbs. This is the lowest price of the season. South Carolina No. 1 Irish Cobblers down \$3.75 New York, closing \$3.75 to \$4 per cwt. flat barrel; down \$2 Chicago at \$5 to \$5.50. Texas sacked Bliss Triumphs about steady at \$2.75 to \$3.25 Kansas City and St. Louis.

Texas yellow Bermuda onions, slightly weaker in consuming market selling mostly \$1.40 to \$1.75. Chicago down 40c at \$1 to \$1.10.

Louisiana Roma strawberries down \$3.00 shipping points at \$3.25 to \$3.50 per 24 quart crate; \$3.50 to \$4 in midwestern wholesale markets.

ANNUAL MEETING OF WOMEN'S CLUB

Women of North Carolina will meet at Wrightsville Beach, June 7-14 for the nineteenth annual convention of the State Federation of Women's Clubs, when recreation and community service will be the keynote of the program.

Several hundred club women have already made reservations at the hotels and cottages and from present indications the attendance will be larger than usual. All sessions will be held at the Oceanic Hotel. The North Carolina Sorosis, of Wilmington, will be hostess to the convention and practically all other local organizations will join with the Sorosis in extending hospitality.

One of the features of the federation meeting will be the "Pageant of the Lower Cape Fear," a brilliant spectacle at which the club women will be guests of honor.

Mrs. Charles H. Hook, of Charlotte, will preside over the convention as president of the Federation. At the end, she will turn over the gavel to her successor after an administration marked by the increase in membership, strengthening of district work, envelopment of club spirit, with the Federation standing as one of the most potent and vital factors in the life of the state.

The convention formally opens on Tuesday, June 7th, with the meeting of the executive board at the home of Mrs. R. W. Hicks at noon, to be followed at 1 o'clock by the executive board luncheon with Mrs. Hicks and Miss Gibson as hostesses. The meeting of the trustees will take place at 4 o'clock at the Oceanic Hotel and the meeting of the board of directors at the Oceanic Hotel at 4:30.

The general session of the Federation meeting will start at 8:30, June 7, at the Oceanic Hotel, with the invocation by Dr. J. M. Wells; welcome addresses by James Cowan, mayor of Wilmington; Thomas B. Wright, mayor of Wrightsville; and Mrs. R. W. Hicks, president of the Sorosis, of Wilmington.

Mrs. Thomas Lenoir Gwyn, recording secretary, will deliver the response Greetings from State organizations of women will follow and then Mrs. Hook will deliver the presidential address.

GOOD ROADS PEOPLE GO TO WASHINGTON

(Special to the Enterprise)

At the annual meeting of the United States Good Roads Association, also the Bankhead National Highway Association in Greensboro, N. C., April 18 to 23, resolutions endorsing Federal aid by the United States Congress, also a system of national highways throughout the United States, were unanimously passed by these conventions. The officers and members of the board of directors of the Bankhead National Highway Association, in the thirteen states through which it traverses, were appointed members of a special committee, also one delegate from each of the thirty-six states represented at the United States Good Roads Association to go to Washington and appear before the Committee on Post Office and Post Roads, of which Senator Charles E. Townsend, of Michigan, is chairman, to present the strongest claims possible, and urge Federal aid in the building of a system of National highways in this country.

Senator Townsend invited and urged this committee to appear before the committee, and notified Mr. J. A. Lovett, Director General of both organizations, that he would receive the committee, and on May 26th, Director General Roundtree extended an invitation, and has been notified that a most representative committee will appear in Washington to carry out the instructions of the two organizations.

Director General Roundtree left Birmingham on May 24th for Washington, going in advance for the purpose of arranging the details of these hearings, and to act as spokesman of the two organizations. It is expected that most satisfactory results will be accomplished, in securing Federal aid not only for the Bankhead highway, but for other national highways to be built throughout the country.

Hon. Benham Cameron, President of the Bankhead National Highway Association, and members of the Executive committee of that organization, will meet Director General Roundtree in Washington and perfect arrangements of carrying out the recommendations of the Bankhead Transcontinental Military Convoy, that passed over this highway during the summer of 1920.

THE RED POPPY

It was indeed gratifying to hear a woman far removed from the possibility of purchasing the Memorial flower, poppy, say that she gathered red roses from her garden to remind her of the young men who gave their lives on Flanders Fields for our sake. This woman was untouched by the war personally, as a great many of us are, but in her heart was a blessing for these boys who paid the supreme sacrifice on distant battlefields for our sake. Not only the citizens of Williamston but Martin County as a whole wore the little red flower yesterday as a symbol of their appreciation.

Next year we hope that our Memorial day for these boys will be even greater and that every man, woman and child in the county will be wearing a red poppy.

RUB - MY - TISM

BODY OF ANOTHER SOLDIER RETURNED

On Saturday, the 30th of May, the body of William E. Brown was returned to his home in Hamilton, N. C., for burial. On Sunday afternoon at 2 o'clock the funeral services were held at the Episcopal Church by Father Clark of Wilkes County. After the services at the church the body was turned over to the comrades who had served in France and in the United States, who gave it a military burial.

The order of march from the church to the grave was as follows: The firing squad under command of Major Vatta, composed of Collier, Pvt. Mack Jones, Geo. D. Wynn, George Bundy, Jack Cheson and Edward Wiley, next came the "casket" wrapped in the United States flag. Then came the pall bearers, Dr. J. D. Buge, E. H. S. Peel, Norman Harrison, W. B. Harrington, James L. Fritchard and Clyde Anderson. Next in the order of march was the escort, composed of H. C. West, Whit Purvis, Ronald Wynn, M. J. Bulank, and G. H. Leggett. Upon reaching the grave the body was interred with military honors. The firing squad fired three volleys and Rev. L. C. Larkin of Williamston, sounded "Taps."

The dead boy was among the first to answer the call of duty. He was a member of the 814 Division, belonging to Company "B" of the 22nd Infantry. He served with that outfit at Camp Jackson and in France. He died on the first day of October, 1918, at the Base Hospital in France, a victim of spinal meningitis.

He was 25 years old when he died. He had no brothers and sister, but he had a mother, Mrs. M. A. Henslip, with whom we sympathize in this great loss. He was of the highest type of Christian manhood, beloved by all who knew him and leaves many friends in private life and in the army to mourn his death.

BETTER NEWS CAUSES COTTON TO CLIMB; 1ST BALE BRINGS \$1,300

New Orleans, May 29.—Bullish crop accounts put the price of cotton to higher levels this week, following declines in the early sessions, which declines seemed to have their main foundation in the unsettled look of European politics, owing to the clash over Silesia. Later in the week politics ceased to be a factor, and from declines before the close of the preceding week of 25 to 37 points, the market rose to advances above of 33 to 50 points. July traded down to 11.18, and then up to 12.70, finally closing at 12.50. In the net results contracts gained 25 to 37 points. Spots closed 13 points on middling which closed at 11.88 against 40 cents a year ago.

Much of the buying of the week was done on the highly unfavorable crop reports put out by private buyers. Soon after the middle of the week buying flurries were caused by a report of 65.1 per cent as the condition of the crop, of 30.5 per cent as the reduction in acreage and 7,600,000 bales as the indicated crop. A little later another bureau put conditions at 63.1, the reduction in acreage at 31 per cent, and the indicated crop at 7,000,000 bales. This crop figure was first reported at 7,400,000 bales, and this was considered low enough to cause determined buying. On the close of the session a newspaper in the central belt made the condition 64 and placed the reduction at from 26 to 30 per cent, while a local brokerage house estimated the condition at 66 and the reduction in acreage at 29 per cent.

Heavy liquidation of long contracts was felt during the closing session, and it checked the rising tendency and caused small reactions from the advance.

Considerable excitement was caused in the market by the appearance at San Benito, Tex., on Thursday of the first bale of the new crop. It was shipped to Houston, where on Friday it brought \$1,300.00. This was by far the earliest cotton bale ever marketed, being a month earlier than the first bale last year. The previous record for the first bale was June 10, made in 1916.

MR BROOKS PROMOTED

Mr. W. D. Brooks left Wednesday for Chapel Hill where he will have charge of a camp of prisoners who are engaged in building the Durham-Chapel Hill highway. Mr. Brooks has been with Captain Ehem for 34 years except for about five years and has served as steward for practically the whole of the entire term. Most of this time he has spent at the Caledonia Farm. When the state sold the farm and moved the convicts here to work on the bridge, Mr. Brooks came here with the outfit.

Captain Brooks has won the esteem and confidence of the people here and his friends are glad the prison authorities have given him this promotion.

CROP CONDITIONS GOOD

After all of our complaints and murmurs about hard times, when we look out over the fields we have every reason to believe that we will have food and raiment and to spare. Nature will surely do its part if we do ours. The people are evidently working well, judging from the appearance and condition of things. All the crops look good to say the least.
