MICKIE, THE PRINTER'S DEVIL

By Charles Sughrue

They Get That Way

DRUGS EXCITE YOUR KIDNEYS. USE SALTS

If your back is aching or bladder bothers, drink lots of water and eat less meat.

When your kidneys hurt and your back feels sore, don't get scared and proceed to load your stomach with a lot of drugs that excite the kidneys and irritate the entire urinary tract.

KOREANS NOW USE THE AUTO

Modern Vehicle Has Displaced the Wheelbarrow Which Was Once Only Means of Conveyance.

The automobile has made its way into Korea, as it has into many other eastern lands, though there is little need now, as the highways improve.

There was a very real reason in old days why such a car should have found favor. In fact, there were two reasons. First, the conveyance required five men—literally—to run it.

Early Settlers in Oregon.

Leonard Thorp, seventy six years old, member of the first white family to settle in the Yakima valley, here lives in the oldest living native born home in Oregon.

Sun Spots.

Sun spots are now thought to be a sign of commencing inability of the dwarfed and shrunken star which we call the sun.

Astronomers and meteorologists are much interested in sun spots, and keep a constant watch on them. During the last few months they have been remarkably few and small.

Deadly Dull.

The physical culture teacher of a small Indiana college was giving a lesson to his class and happened to give a neck exercise which consisted of bending the neck until the head almost touched the shoulder.

IS TURNING GRAY, USE SAGE TEA

Here's Grandmother's Recipe to Darken and Beautify Faded Hair.

That beautiful, even shade of dark, glossy hair can only be had by brewing a mixture of Sage Tea and Sulphur. Your hair is your charm. It makes or mars the face. When it fades, turns gray or streaked, just an application or two of Sage and Sulphur enhances its appearance a hundredfold.

Don't bother to prepare the mixture; you can get this famous old recipe improved by the addition of other ingredients at a small cost, all ready for use. It is called Wyeth's Sage and Sulphur Compound. This can always be depended upon to bring back the natural color and lustre of your hair.

Everybody uses "Wyeth's Sage and Sulphur Compound" now because it darkens so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through the hair, taking one small strand at a time; by morning the gray hair has disappeared, and after another application it becomes beautifully dark and appears glossy and lustrous.

This ready-to-use preparation is a delightful toilet requisite for those who desire dark hair and a youthful appearance. It is not intended for the cure, mitigation or prevention of disease.
