

# COMMON SENSE

King Solomon said he had no trouble making 1,000 wives obey his commands, yet, now-a-days, you can't make a single wife listen to reason, but here is where common sense prevails. The citizens of Williamston now have a modern and up to date water and sewage system at their disposal and they owe it to their family to take advantage of it.

We will gladly furnish you estimate free.

# THRIFT

Economy in the expenditures of a county is no more important than economy in the expenditures of its citizens. The practice of thrift leads to straight thinking, to honesty, to self-respect. If every citizen of Martin County were a saver our possibilities as a county would only be limited by our ambitions.

Every person in Martin county who has no savings account should start one, if only for one dollar, and thus take the first step towards independence and contentment.
