

## Don't stick with the prunes

MY DAD'S favorite yarn WAS THE one about THE OLD bookkeeper WHO WAS playing checkers IN THE back of the store AMONG THE coal oil AND THE prunes. WHEN THE sheriff WHO HAD just jumped his king SAID "Si there's a customer WAITIN' OUT front" AND SI said "Shhh!" IF YOU'LL keep quiet, MEBBE HE'LL go away." NOW HERE'S the big idea WHEN A good thing HAPPENS ALONG. DON'T LEAVE it to George TO GRAB the gravy. FRINSTRANCE IF.

YOU HEAR of a smoke, OR READ about a smoke. THAT REALLY does more. THAN PLEASE the taste. THERE ARE no hooks on you. THERE'S NO law against YOUR STEPPING up. WITH THE other live ones. AND SAYING right out. IN A loud, clear voice. "GIMME A pack of THOSE CIGARETTES. THAT SATISFY."

YOU'LL say you never tasted such flavor, such mild but full-bodied tobacco goodness. You're right, too, because they don't make other cigarettes like Chesterfields. The Chesterfield blend can't be copied.

Have you seen the new AIR-TIGHT tins of 50?

### CARDUI HELPED REGAIN STRENGTH

Alabama Lady Was Sick For Three Years, Suffering Pain, Nervous and Depressed—Read Her Own Story of Recovery.

Paint Rock, Ala.—Mrs. C. M. Stegall, of near here, recently related the following interesting account of her recovery: "I was in a weakened condition. I was sick three years in bed, suffering a great deal of pain, weak, nervous, depressed. I was so weak, I couldn't walk across the floor; just had to lay and my little ones do the work. I was almost dead. I tried every thing I heard of, and a number of doctors. Still I didn't get any relief. I couldn't eat, and slept poorly. I believe if I hadn't heard of and taken Cardui I would have died. I bought six bottles, after a neighbor told me what it did for her. "I began to eat and sleep, began to gain my strength and am now well and strong. I haven't had any trouble since. . . I sure can testify to the good that Cardui did me. I don't think there is a better tonic made and I believe it saved my life."

For over 40 years, thousands of women have used Cardui successfully, in the treatment of many womanly ailments. If you suffer as these women did, take Cardui. It may help you, too. At all druggists. E 55

### THE U. S. NOBBY TREAD

Where the going is specially heavy with snow, mud or sand, in hilly country where maximum traction on the road is a factor, no other tread yet devised is quite so effective, or so wholly approved by motoring opinion, as the U. S. Nobby Tread.

Its very simplicity—three rows of diagonal knobs, gripping the road—is the result of all the years of U. S. Rubber experience with every type of road the world over.

## If every one listened to experience, how much they'd save

STOP and talk to the next man you see with U. S. Tires on his car. Ask him why.

Most likely you'll hear an interesting story about his tire experiments—before the answer was found. Money wasted. Promises unkept. Trouble on the road—humorous to every one except the man who went through it.

Finally U. S. Tires. And U. S. Tires ever since.

Perhaps it's the experience of U. S. Tire buyers that makes them more emphatic in their preference than ever this year.

When these men have tried most

everything by the way of "staggering bargains", "hurrah discounts", "discontinued lines at less" and so forth they know what not to get.

They want a fresh, live tire. With a good reputation. That's everything it says it is. With the people behind it who back it up.

There are 92 U. S. Factory Branches.

Your local U. S. Dealer is drawing upon them continually to keep his stocks sized up, complete—to give you service.

Whenever he gets one or a hundred tires from a U. S. Factory Branch, they are newly made this season's tires.

Sold to you at a net price. Full values. Square-dealing. A reputable maker. A reputable dealer. The whole transaction as befits the leadership of the oldest and largest rubber organization in the world.

"Stop and talk to the next man you see with U. S. Tires on his car."
