Now is the time for planting permanent pastures, fulgrum oats rye, clovers of all kinds, and vetch. We have a full supply of good new reliable seed. Keep your land busy, plant these cover crops, improve the fertility of your soil and at the same time have pasture for your stock to graze on during the winter months.

Put in a permanent pasture this fall even if it is a small place it will give you something to build to and help you to be prepared when the stock law comes in force. Our pasture is composed of the following items.

8 lbs. Herds Grass
8 lbs. Italian Rye Grass
8 lbs. Orchard Grass
8 lbs. Alsike Clover
4 lbs. Red Clover
4 lbs. White Dutch Clover.

The above seed can be gotten at
