**Theford's Black-Draught Highly Recommended by a Tennessee Grocer for Troubles Resulting from Torpid Liver.**

East Nashville, Tenn. - The efficiency of Theford's Black-Draught, the genuine, herb, liver medicine, is vouched for by Mr. W. N. Parsons, a grocer of this city. "It is without doubt the best liver medicine, and I don't believe I could get along without it. I take it for sour stomach, headache, bad liver, indigestion, and all other troubles that are the result of a torpid liver."

"I have known and used it for years, and can and do highly recommend it to every one. I won't go to bed without it in the house. It will do all it claims to do. I can't say enough for it."

Many other men and women throughout the country have found Black-Draught just as Mr. Parsons describes - valuable in regulating the liver to its normal functions, and in cleansing the bowels of impurities. Theford's Black-Draught liver medicine is the original and only genuine. Accept no imitations or substitutes. Always ask for Theford's. **R. M.**

**Taste is a matter of tobacco quality**

We state it as our honest belief that the tobaccos used in Chesterfield are of finer quality (and hence of better taste) than in any other cigarette at the price.

**The Hold-Up Game**

You have no chance to win when you meet the hold-up man. If you stick up your hands as directed, your cash goes right thsn. If you resist, you may be injured, possibly killed, and your money goes just the same.

Hold-ups are of common occurrence. If you carry your money around On your person you are taking big chances. There is one way to beat the hold-up man. Deposit your money in a good bank like ours and pay your bills by check. It is the safe, convenient, modern way and leaves nothing for the highwayman to gobble up.
