

Rather Serious

After a political defeat, Abe Lincoln once said that he felt like a boy who had stubbed his toe. It hurt too bad to laugh and he was too big a boy to cry.

Sort of a serious situation. Many a man feels that way after taking a financial tumble too. The best way to avoid disaster of that sort is to keep your funds in a good bank like ours and use it for making safe investments suggested by your banker. It is always much better to be safe than sorry. Our bank is always at your service.
