New 300 Candle Power Lamp

COSTS LESS THAN A NIGHT TO OPERATE!
This wonderful new Lamp operates on less than half the fuel required for one ordinary wax lamp and gives almost 100 times more light. It is brighter and cheaper than electricity or gas—the most remarkable scientifically developed light of the age. It gives a soft, white light, ideal for sewing or reading. Easy on the eyes and beautifully brilliant for the home.

Burns Kerosene or Gasoline—Absolutely Safe
The Lamp operates on kerosene or gasoline, giving the same brilliant 300 candle power light with either fuel. It is absolutely safe, as there is positively no danger even if upset. It can be carried anywhere, is easy and simple to operate, and needs practically no attention except occasional filling—no wicks to trim, no chimneys to clean. It is smokeless and odorless.
Let me show you how bright and cheerful this 300 candle power brilliance will make YOUR home. A demonstration doesn't obligate you in any way. Just drop a post card to—
