The year 1922 is rapidly approaching its close and all true people are thanking the God of the Universe for the love and care and blessings that he has bestowed upon them and we should all turn our faces to the New Year soon to be here and set ourselves to the task of making this the best year in our lives, to Making Williamston one of the best towns, and Martin county one of the best counties on earth.

**TO MAKE THE COMMUNITY BETTER WE MUST SERVE**

The Williamson Chamber of Commerce wants to impress the word SERVICE in every heart by rendering the best service itself, that can be rendered.
