

PROJAN IS STILL OPTIMISTIC OVER CITY'S FUTURE

Believes People Will Get Enough of Poisons in Five Years

(By TROJAN)

Trojan appreciates the friendly criticism from A Citizen. The picture painted last week of Williamston five years hence was from a material standpoint. Now, we wish to paint a picture of Williamston and this vicinity five years hence from a moral point of view.

The present day bootlegger or the walking blind tiger, will be a thing of the past. We believe that before long the local and federal officers will be able to get sufficient evidence against one of them to get him a vacation to Atlanta jail for one year and one day. You know Judge Connor will fine him for the first offense usually, but a trip to Atlanta jail is an alternative for the second offense. We believe just one such conviction will be sufficient to cause all the other loafers to seek a job of real work so he can provide a living for himself and those dependant upon him.

We agree with A Citizen when he says if we did not have any drinkers there would be no sellers. We believe before the five years are gone the man who thinks he must have monkey rum to stimulate his body and mind so he can do his best work will be changed or will be too far gone to ever come back into his real self. We do not believe any one, be he lawyer, doctor, banker, merchant, farmer, day laborer, clerk, or any other class of grade can prosper and be happy long if he partakes of monkey rum or any other intoxicating concoction regularly.

Before the five years are out the people who think a person must take a drink with everyone who comes along in order to be a half-fellow-well-met will be changed. The real man, we think, will be the one who can resist such temptations and can stand out-square to all the winds that blow.

The ballot has been given to the women who are practically spin against everything that is bad. Their cooperation with the real men of this community will make Williamston and his vicinity a peaceful and happy place in which to live, move and have our being.

Hints to husbands: "Every day in every way you should pet'er and pet'er."—Flint Journal.

BUY YOUR FORD NOW WE HAVE RECEIVED A COMMUNICATION FROM THE FORD MOTOR CO., WHICH WE REPRODUCE BELOW ADVISING ALL PROSPECTIVE FORD PURCHASERS TO BUY NOW WHILE WE HAVE THE MACHINES IN STOCK. TO ALL FORD DEALERS: We have finished a wonderful year, retailing 1,202,517 Ford Cars and Trucks. Retail sales for December total 105,799 Cars and Trucks, and we want to congratulate you as our dealer, your salesman and every member of your organization who have so aggressively gone after and obtained business in an unheard of volume for this time of year. Over one hundred thousand retail deliveries of Ford Cars and Trucks for nine consecutive months—a record to be proud of and one which is not apt to be offset by a reduced volume of business this month. The New Year holds wonderful opportunities and now that we are on the down grade into Spring, let's give an extra push which means many advanced deliveries to customers who otherwise would wait and be disappointed. You know we are obligated to advise the thousands of prospective purchasers who have planned on Spring delivery to list their orders now and take advantage of our dealer's first opportunity to make delivery, for everything points to a shortage of Ford products this Spring greater than ever before in our history. Farmers already realize this and are accepting deliveries of Cars, Trucks and Tractors now. So please fulfill your obligation to your community by advising all prospects of these actual facts that they may list their orders with you NOW for prompt delivery which is the only assurance we can give of their obtaining Ford products for use this Spring and Summer. WE HAVE JUST RECEIVED TWO CAR LOADS OF CARS, AND THESE WILL NOT LAST LONG AT THE RATE THEY ARE NOW BEING DELIVERED. GET YOURS NOW AND YOU ARE CERTAIN TO HAVE IT, OTHERWISE YOU MAY GET DISAPPOINTED WHEN YOU WANT YOUR CAR. B. R. BARNHILL AUTHORIZED SALES AND SERVICE WILLIAMSTON, NORTH CAROLINA TELEPHONE 201
