Although the increase in the number of cooperative home demonstration agents was slight throughout the northern and western states during 1921, records of the United States Department of agriculture show that practically 25,800 more women became members of extension organizations than in 1920. Also 4,864 new communities undertook to carry on one or more features included in extension programs.

Hall's Catarrh Medicine. Those who live in a "run-down" condition will notice that Catarrh bothers them much more than when they are in good health. This fact proves that while Catarrh is a local disease, it is greatly influenced by constitutional conditions. HALL'S CATARRH MEDICINE is a Combined Treatment, both local and internal, and has been successful in the treatment of Catarrh for over forty years. Sold by all druggists. F. J. Cheney & Co., Toledo, Ohio.
