# Vote For SYLVESTER PEEL

FOR REGISTER OF DEEDS OF MARTIN COUNTY IN THE DEMOCRATIC PRIMARY ON SATURDAY, JUNE 7, 1924.

Sylvester Peel is a man of quiet, retiring disposition. He knows little of the art of political hand-shaking and political sagacity. He is not allied with any political machine. He seeks the office of Register of Deeds only on his true worth as a public servant.

## Read This Open Record of His Life

Born in Griffins Township, Sylvester Peel, as a boy, helped his father on the farm, and later as a young man he worked his way through school. He attended the old Trinity School at Chocowinity, N. C., and under the intellectual, Christian influence of Professor Hughes he received a thorough education not only in books but in clean, honest living.

After finishing school he returned home to follow the vocation of farming. After working on the farm all day he studied Civil Engineering at night, and for the past 30 years he has served his County and his people both faithfully and well as Surveyor and School Teacher, and oftentimes at a great sacrifice to his farming interests, but always ready to go when duty called.

**HE HAS NOT MADE FINANCIAL GAIN THE GOAL OF HIS AMBITIONS, BUT PREFERRING TO MAKE HIS LIFE ONE OF SERVICE TO HIS FELLOW MAN AND TO HIS COUNTRY.**

Sylvester Peele asks you to vote for him for four important reasons

1. He has served the people of Martin County and the Democratic Party faithfully and ably for the past thirty years.
2. His thorough technical and general education and experience affords him an opportunity to offer superior service as Register of Deeds.
3. His lifetime of clean, honest living gives him the respect of the people.
4. He is free of any political entanglements, and is 100 per cent for the people.
