Don't get contented; you will drop into the rut. Keep on learning and you will keep on earning.

We are seldom too tired to do what we really want to, but let some one mention doing something we don't want to and we faint with exhaustion.

If you stepped out of the bathtub and slipped on the soap, wouldn't that be enough to wear through the hall?

## GET HOME EARLY AFTER THE SHOW!

You've been in the theatre—warm. Your car was outside—in the cold. What has happened to it?

Nothing much if your are using TEXACO Motor Oil

the clear, clean golden colored, lubricant, and TEXACO Gasoline, the Volatile Gas.

TEXACO Motor Oil flows freely even at zero.

It goes to work lubricating and protecting the engine with the first few strokes of the pistons—without waiting for the usual irksome warming up.

## Practical Nurse Tells

Mrs. N. E. Spay, of Route 1, near Paris, Tenn., tells the story of her experience as follows: "I am 68 years old and I have been a practical nurse for more than 20 years, taking mostly maternity cases. One of my daughters suffered from cramping at . . . She would just bend double and have to go to bed."

## CARDUI

The Woman's Tonic

was recommended to her and she only had to take about two bottles, when she hardly knew that it was . . . she suffered no little pain. "My youngest daughter was run-down, weak and nervous, and looked like she didn't have a bit of blood left—just a walking skeleton, no appetite and tired all the time. I gave her two bottles of Cardui. It built her up and she began eating and soon gained in weight and has been so well since."

Cardui, the Woman's Tonic, has helped suffering women for over forty years. Try it. At all druggists. E-100

## VOTE FOR

# Robert L. Coburn

For Judge Of The Martin Co. Recorder's Court In The Democratic Primary On June 7th

Robert L. Coburn was born in 1891 and was raised on a farm near Dardens in Martin County. He worked his way through the University of North Carolina, where he received his education in Law and is now a prominent young attorney of Williamston and a member of the Lamb and Coburn Law Firm.

He served his Country during the World War and was one of the boys of the Famous thirtieth Division which broke the Hindenburg Line.

His friends heartily endorse him for this office and vote for his honesty, industry, courtesy and reliability. And because he is a man of the highest integrity, because he possesses the character and common sense essential to a good Judge, because he is well versed in law and because he valiantly served his country under the enemy's fire in time of war his friends now ask that you support him.

**FAIRBANKS-MORSE**

Now Every Home can Have

**Water under Pressure**

The new, low-priced Fairbanks-Morse Home Water Plant supplies water under pressure from cistern or well for only a few cents a week. It attaches to any electric circuit. The operation is entirely automatic—self-priming, self-oiling, self-starting. You have water under pressure all of the time.

Water under pressure increases returns from livestock and land. You get bigger gains with less feed—milk yield is increased—the garden crop is safe from drought. You have real fire protection.

Water under pressure lightens household and outdoor chores. The most disagreeable, the heaviest household tasks—washing, scrubbing, scouring—are easily and quickly done. And the fresh water attachment gives you fresh water from the faucet, any time.

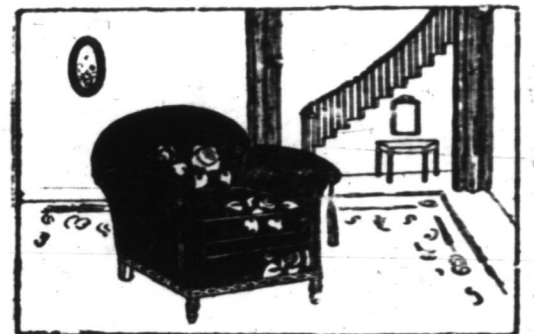

Call us up and have us submit an estimate on a Fairbanks-Morse plant for you. There is a size for every need. They operate with electricity, kerosene, or gasoline. Better yet, come in and let us show you a plant in operation.
